

PRIME MINISTER • PREMIER MINISTRE

I would like to convey my warmest greetings to everyone attending today's performance of "Korea Fantasy."

This event offers a wonderful opportunity for everyone in attendance to learn more about Korea's history and to commemorate the 80th anniversary of Korea's liberation. I would like to thank the performers for sharing their talents with the community.

I would also like to thank the Korean Canadian Symphony Orchestra and the Yemel Philharmonic Society for hosting this event.

I wish you all a memorable experience.
