XII World Congress on Clinical, Preventive and Cardiac Imaging Punjab, India

The XII World Congress on Clinical, Preventive and Cardiac Imaging (WCCPCI-2017) held at the Radisson Blue Hotel in Amritsar, Punjab, India, from September 29-October 1, 2017 and jointly organized by several organizations including the International Society of Cardiovascular Ultrasound (ISCU) was a huge success with over 1200 delegates and 108 national and 32 international faculty from many different countries including USA, Europe, Egypt and the Middle East. It was hosted by Dayanand Medical College and Hospital, Ludhiana and Sri Guru Ram Das University of Healthcare Sciences, Amritsar. Dr. H. K. Chopra was the International Organizing Chairman, Dr. Gurpreet Singh Wander, the National Organizing Chairman while Dr. Navin C. Nanda served as the International President. The main theme of the conference was "Healthy Environment, Healthy Heart" with extensive coverage of many aspects of cardiology, prevention and imaging. A highlight of the Congress was the inaugural session held at the historic Golden Temple of Amritsar. Both digital and print media were extensively utilized for disseminating information on cardiac care awareness.
