WHAT'S NEW

Apply for hunts: You can apply for Utah's 2025 big game hunts from March 20 to April 24, 2025. The results of the big game drawing will be available on May 15, 2025. For more information, see page 28.

Permit sales dates in July: Any permits remaining after the big game drawing will go on sale during different days in July. For all of the permit sales dates, see the table on page 10.

Research antlerless hunts online: In late May 2025, visit wildlife.utah.gov/guidebooks to find all of the information you'll need to research Utah's antlerless hunts. This information includes application dates, rules, hunt tables, boundaries and maps. The antlerless application period runs from June 4–18, 2025.

Apply for bonus or preference points: The 2025 big game bonus or preference point application period is March 20–April 24. If you miss the April 24 deadline, there will be a second opportunity during the June 4–18 antlerless application period to apply for big game bonus or preference points. See pages 20–21 for details about why bonus and preference points matter, and pages 28–29 for more about big game application periods.

Mule deer management plan: The Utah Wildlife Board approved a new mule deer management plan that will be in effect through 2030. Part of this updated plan includes modifying some hunting units' buck-to-doe ratio objectives and implementing strategies to improve hunter opportunity and satisfaction. Learn more about the plan at wildlife.utah.gov/muledeer.

Residency requirements: To apply for a resident permit, you must be a Utah resident on the date you submit your application. (Previously, the residency date was linked to the date of purchase.) See the definition of *Resident* on page 79.

KNOW THE LAWS

This guidebook—along with the 2025 *Utah Big Game Field Regulations Guidebook* (available in June 2025)—summarizes the rules and laws that regulate big game hunting in Utah. Although these books are convenient quick-reference documents for Utah big game regulations, they are not all-encompassing resources.

For an in-depth look at the state's big game hunting laws and rules, visit wildlife.utah.gov/rules.

You can use the references in this guidebook—such as *Utah Admin. Rule R657-5-24* and *Utah Code § 23A-5-207*—to search the Division's website for the detailed statute or rule that underpins the guidebook summary.

If you have questions about a particular rule, call or visit the nearest Division office.

Who makes the rules?

The Utah Wildlife Board passes the rules and laws summarized in this guidebook.

There are seven board members, and each serves a six-year term. Appointed by the governor, board members are not Division employees.

The Division's director serves as the board's executive secretary but does not have a vote on wildlife policies.

Before board members make changes to wildlife rules, they listen to recommendations from Division biologists. They also receive input from the public and various interest groups via the regional advisory council (RAC) process.

If you have feedback or suggestions for board members, you can find their contact information online at wildlife.utah.gov.

Wildlife Board members

Kent Johnson	Randy Dearth, <i>Chair</i>
Paula Richmond	Gary Nielson, <i>Vice Chair</i>
Bret Selman	Riley Peck, <i>Division Director</i>
Bryce Thurgood	& <i>Executive Secretary</i>

New hunts: The board approved several new hunts for 2025. Look for hunts noted as “(new)” in the hunt tables that begin on page 42 for these and other new opportunities.

Deer hunting strategies on four units:

The board approved a research study to determine if weapons technology restrictions can improve hunter opportunity/satisfaction. These “restricted weapons hunts” will be on the Beaver, West; Boulder/Kaiparowits; Cache; and Thousand Lakes unit. See page 26 and the hunt tables beginning on page 45 for details.

Extended archery only option: Hunters may apply for a new “extended archery only” general-season deer permit that allows successful applicants to hunt only the extended archery hunt areas during the extended season dates. Existing extended archery deer hunting opportunities remain unchanged. See page 8 to learn more about extended archery opportunities.

Shed antler gathering: Utah residents and nonresidents may gather shed antlers year-round. The board clarified and approved several changes to the rules regarding shed antler and horn gathering in Utah that are now in effect:

- Antler gathering ethics course completion is required for anyone gathering sheds between **Jan. 1 and May 31 (new dates)**.
- Commercial antler buyers must have a valid certificate of registration.
- Individuals may modify and resell antlers and horns if they were legally gathered or obtained.
- The DWR Director has the authority to close shed gathering statewide, which will be triggered by emergency wildlife feeding.

See page 13 or visit wildlife.utah.gov/antler-gathering for more information about these changes.

Targeted hunts to address CWD: The board approved two new limited-entry any-legal-weapon buck deer hunts to address chronic wasting disease in the La Sal, Castle Valley and the La Sal,

Moab Valley areas. Hunters who harvest a deer in these units are required to submit a CWD sample. Learn more about what we’re doing to stop the spread of CWD in Utah at wildlife.utah.gov/cwd.

Dedicated Hunter points/permits: To improve the state’s overall drawing odds, the board approved that big game applicants may apply for a general-season buck permit or COR/point, but not both. These updates—and details about how to apply to be a Dedicated Hunter—are outlined on page 33 and at wildlife.utah.gov/dh.

Changes to bighorn sheep units: The Wildlife Board approved splitting the Kaiparowits, Escalante hunting unit into two new desert bighorn sheep units to better distribute hunters in the area. A new Rocky Mountain bighorn sheep hunt was also added for Antelope Island in agreement with Utah State Parks. See page 65 for all bighorn sheep hunting opportunities.

Using collar data to aid in hunting: The board approved rule language clarifying that a person may not use any protected GPS location data or protected radio collar data to locate, track, take or retrieve—or attempt to locate, track, take or retrieve—big game animals or their parts. Refer to *Utah Admin. Rule R657-5-7* for details about this update.

Credit card processing fee: In order to cover our increasing costs for systems and electronic payment processing, the Division began charging a 2.2% processing fee on all credit card transactions as of July 1, 2024. (The Utah Legislature authorized a fee up to 3% to cover these costs.)

Find updated maps and boundaries: Use the Utah Hunt Planner at hunt.utah.gov to find unit maps, boundaries and information on the hunts you want to apply for. To learn more, see page 19.

Season date changes: Season dates change every year, so please check them carefully before applying for hunts. You can find season dates in the hunt tables that begin on page 7.

Antlerless big game hunting

Antlerless hunting is the primary tool biologists use to control the size of big game herds.

This year, you can apply online for one or more antlerless big game permits from June 4–18, 2025. Plan on visiting wildlife.utah.gov in late May 2025 to see which permits are available.

Antlerless drawing results will be available on or before July 3, 2025. If any antlerless permits remain available after the drawing, you can purchase them starting July 29.

Reminder: If you obtain an antlerless permit that remains available after the drawing, you will lose any preference points that you've accrued for that species.

The *2025 Utah Big Game Field Regulations Guidebook* will be available in June. That guidebook will contain information you can use in the field during your big game and antlerless hunts.

Permits for lifetime license holders: If you're a lifetime license holder, see the box on page 32 for more information about obtaining your general-season deer permit.

Important reminders

Report your harvest, it's required: Last year, the Utah Wildlife Board approved mandatory harvest reporting for all of the general-season buck deer and bull elk hunts beginning in 2024. (All limited-entry, once-in-a-lifetime and antlerless hunts still require harvest reporting, as well.) Filing a report is required, within 30 days of the end of the hunt, even if a hunter does not harvest an animal. For details about how to report, reporting requirements, restrictions and potential fines, see page 27 or visit wildlife.utah.gov/harvest.

Download guidebooks and more to your DWR mobile app: You can download Utah's hunting and fishing guidebooks using your Utah DWR mobile app. The app makes it easy to read, search and navigate this guidebook and others. You can keep your hunting or combo license and any DWR course completion certificates on the app, too. Learn more about the app and download it at wildlife.utah.gov/mobileapp. Important: You must still carry any printed permit with you in the field.

Edit your application: You may edit your application free of charge at any time during the application period (before 11 p.m. MDT on April 24, 2025). You will not be charged any additional fees, unless you completely withdraw your application and resubmit. See page 28 for more information.

View permit numbers during the application period: Hunters can access proposed permit numbers for each hunt unit beginning in April. This information will be available through the Utah Hunt Planner at hunt.utah.gov.

Field regulations available in June: The *2025 Utah Big Game Field Regulations Guidebook* will be available from license agents and Division offices in June 2025. It will include the rules for both big game and antlerless hunting.

Muzzleloader technology restrictions: Scopes stronger than 1x power are not allowed on muzzleloaders for all muzzleloader hunts (general-season, limited-entry and management). Only open sights, peep sights, a red dot, or scopes with 1x power or less will be allowed on muzzleloaders during muzzleloader hunt seasons. (Scopes of any power are allowed on muzzleloaders during any-legal-weapon hunts.) No scopes of any kind are allowed on HAMSS or restricted weapons hunts. Carefully review the list of muzzleloader requirements on page 26 before you apply for a hunt unit with a restricted weapons hunt.

Options for military members: Active military personnel may be eligible to purchase a bonus or preference point if they are deployed during the big game application period. For details, see the information box on page 10 or visit wildlife.utah.gov/military.

Multiseason deer hunting for youth: In order to hunt all general deer seasons (archery, muzzleloader and any legal weapon), a youth must obtain a general-season any legal weapon permit. For details, see the article on page 34.

Antlerless elk permit rules: Antlerless elk permits may be used **only** during the season dates printed on your permit. See page 23 for details.

Hunter Mentoring Program: The Hunter Mentoring Program allows a young person to share a mentor's permit. To learn more, see the information box on page 20 or visit wildlife.utah.gov/mentoring.

Hunting license required: Before you can apply for a 2025 big game permit, bonus point or preference point, you must have a valid Utah hunting or combination license. Please see page 17 for more information. For the exceptions available to active, deployed military members, please see the information box on page 10.

Discounted licenses for disabled veterans: The Division offers discounted hunting and combination licenses to Utah veterans who were disabled in the line of duty. For details, see page 27.

Guidebook correction: If errors are found in this guidebook after it is printed, the Division will correct them in the online copy. Visit wildlife.utah.gov/guidebooks to view digital versions of all the Division's guidebooks.

Protection from discrimination: The Division receives federal financial assistance from the U.S. Fish and Wildlife Service. Under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, the U.S. Department of the Interior and its bureaus prohibit discrimination on the basis of race, color, national origin, age, disability or sex. If you believe that you have been discriminated against in any facility, program, or activity, or if you need more information, please write to:
Office of Diversity, Inclusion, and Civil Rights
U.S. Department of the Interior
1849 C Street, NW
Washington, D.C. 20240

Private lands: The Division cannot guarantee access to any private land. You must obtain documented permission from the landowner or the landowner's authorized representative before hunting or trapping on private lands. For more information, please see *Utah Code* §§ 23A-5-310 and 23A-5-317.

Division funding: The Division is mostly funded by the sale of hunting and fishing licenses and through federal aid made possible by an excise tax on the sale of firearms and other hunting- and fishing-related equipment.

General-season dates

Hunt	Dates
General archery deer	Aug. 16–Sept. 12
General muzzleloader deer	Sept. 24–Oct. 2
Early general any legal weapon (rifle) deer	Oct. 8–12
General any legal weapon (rifle) deer	Oct. 18–26
General archery any bull elk*	Aug. 16–Sept. 17
General archery spike elk	Aug. 16–Sept. 5
Early general any legal weapon (rifle) any bull elk	Oct. 4–10
Late general any legal weapon (rifle) any bull elk	Oct. 11–17
General any legal weapon (rifle) spike bull elk	Oct. 4–16
General muzzleloader elk	Oct. 29–Nov. 6
General-season youth elk permit	See page 35 for dates
Draw-only youth any bull/hunter's choice elk (see pages 34–35 for more information)	Sept. 13–23

*No general-season archery elk hunt on the Paunsaugunt unit.

Possible habitat work in your hunt area

Throughout the year, the Division works with other government agencies—including the U.S. Forest Service and the Bureau of Land Management—to complete thousands of acres of habitat-improvement work on Utah's public lands.

Those projects range from plant removal to prescribed burns and from helicopter reseeding to large-scale planting projects. They help restore habitat for mule deer, elk, sage-grouse and other species, giving them the food and cover they need to thrive on the landscape.

Please be aware that projects occur across the state, year round. This means that sometimes a project may occur in a portion of your hunt area, during the hunt.

If this is something you're concerned about, you may want to contact the appropriate land-management agency before you apply for a particular hunt area. They may be able to give you a tentative list of projects for the coming year.

You can also see a list of past, current and proposed restoration projects at watershed.utah.gov.

2025 SEASON DATES

Extended archery season dates

Utah Admin. Rule R657-5-23

As long as you obtain an archery buck deer or bull elk permit in 2025—and you complete the required extended archery ethics course—you may also hunt any of Utah's extended archery areas during the seasons listed to the right.

New: Hunters may now apply for an extended archery only general-season buck deer permit to hunt on any of the extended archery areas during the extended archery season dates. You can apply for this permit in the big game application by selecting hunt number DB0008. This permit will only be valid on the extended archery units. See table to the right for areas and season dates.

Remember: The online archery ethics course is an annual requirement for all archers who want to hunt the extended areas and seasons; this is also required for the **(new)** extended archery only draw permit. To take the course, visit wildlife.utah.gov/extendedarchery before the extended seasons begin. After you successfully complete the course, you must carry proof of completion (either print or digital) with you in the field.

To see maps and boundaries for all of the extended archery areas, visit hunt.utah.gov.

Important: Please check the hunt number (not just the hunt unit name) on your permit carefully and refer to the Utah Hunt Planner (hunt.utah.gov) to make sure your permit allows you to hunt in an extended archery unit within the allowed season dates.

Hunt

Dates

Extended archery deer (either sex) in the following extended archery areas:

Sept. 13–
Oct. 15

- Nine Mile, Green River Valley
- Sanpete Valley
- South Wasatch

Extended archery deer (either sex) in the following extended archery areas:

Sept. 13–
Nov. 30

- Box Elder, West Bear River
- Herriman South Valley
- Ogden
- Uintah Basin
- Utah Lake
- Wasatch Front
- West Cache

Extended archery elk (either sex) in the following extended archery areas:

Aug. 16–
Dec. 15

- Uintah Basin
- Wasatch Front
- West Cache

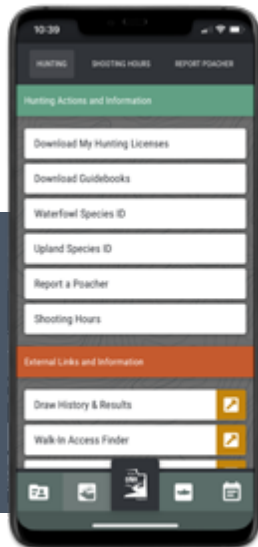

UTAH DIVISION OF WILDLIFE RESOURCES

Hunting & Fishing App

Use the **Download Guidebooks** feature to keep regulations and season dates at your fingertips.

Learn more at WILDLIFE.UTAH.GOV/MOBILEAPP

Sportsman and statewide conservation permit season dates

Only Utah residents can apply for sportsman permits. See the information box to the right to learn more.

Hunt	Dates
Deer, elk and pronghorn on any open unit with archery equipment*‡	Aug. 16–31, 2025
Deer and elk on any open unit with any legal weapon*‡	Sept. 1, 2025–Jan. 15, 2026
Pronghorn on any open unit with any legal weapon	Sept. 1–Nov. 15, 2025
Bighorn sheep and mountain goat on any open unit with any legal weapon*‡	Sept. 1–Dec. 31, 2025
Bison on any open unit with any legal weapon‡	Aug. 1, 2025–Jan. 31, 2026
Moose on any open unit with any legal weapon	Sept. 1–Nov. 15, 2025
Turkey on any open unit	April 1–May 31, 2025
Black bear on any open unit	During season dates listed in the 2025 Utah Black Bear and Cougar Guidebook for that unit

* You may not take an elk or Rocky Mountain bighorn sheep on the Box Elder, Pilot Mtn hunting unit.

‡ Antelope Island is not an open unit. There are only a couple of permits that authorize hunting on the island. Those permits are listed in the hunt tables on page 48 and page 64.

2026 sportsman permits

Utah Admin. Rules R657-41 and R657-62-24

Next year, you could be the envy of every hunter you know. If you draw a 2026 Utah sportsman permit, you'll have one of the most exciting hunting permits the state offers. Hunters want these permits because:

- They typically have an extended hunting season.
- They allow you to hunt in nearly any unit across the state. (See the footnotes on the left side of this page for additional information.)
- Only Utah residents can apply for them.

One sportsman permit is usually offered each year for each of the following species: buck deer, buck pronghorn, bull elk, bull moose, desert bighorn ram, Rocky Mountain bighorn ram, hunter's choice bison and hunter's choice mountain goat. Sportsman permits are also offered for black bear and wild turkey.

You can apply for a sportsman permit in early November 2025. For more information about these permits, and the few restrictions that apply, please visit wildlife.utah.gov in mid-October 2025.

2025 SALES DATES

Permit sales dates

In July, various types of big game permits will be available for purchase at all DWR offices, license agent locations (wildlife.utah.gov/licenses/locator) or online at wildlife.utah.gov. See the following table for sales dates.

Permit type	Sales date
General-season archery elk permits	July 8, 2025
Remaining limited-entry big game permits, if available	July 8, 2025
Bison permits for the Nine Mile unit*	July 8, 2025
Youth general-season elk permits (unlimited)	July 8, 2025
Remaining general-season deer permits, if available (also youth archery deer permits)	July 8, 2025
General-season any bull elk permits	July 10, 2025
General-season spike bull elk permits	July 17, 2025
All antlerless permits, if available	July 29, 2025

* The availability of this permit varies each season. See the 2025 Utah Big Game Field Regulations Guidebook (available in June 2025) for more details or visit hunt.utah.gov.

Points options for active, deployed military personnel

If you are an active, deployed member of the military, you can purchase a bonus or preference point, even if you missed an application period while deployed. The Division will also waive the required combination or hunting license fee when you make that point purchase. To qualify for these exemptions, a military member must:

- Be a resident of Utah.
- Be deployed for 90 days or longer outside of Utah on federal orders from military command.
- Not have previously received a bonus or preference point for the species and hunt type in the same year.
- Otherwise be eligible to receive a bonus or preference point.
- Pay a \$10 application fee per point received.
- Submit an application for the exemption to DWR no later than Dec. 31 of the qualifying year of being deployed.

For additional information and the application form, visit wildlife.utah.gov/military.

How many elk permits will be available in 2025?

Through the approved statewide elk plan, 2025 general-season elk permit numbers are as follows:

- 15,000 general-season permits for the any bull early season any-legal-weapon and muzzleloader hunts (combined quota)

- No cap on permit numbers for the any bull late season any-legal-weapon hunt
- 15,000 spike bull permits, with a cap of up to 4,500 available as multiseason permits
- Unlimited youth general-season elk permits (these permits will not count toward the above permit numbers)

Trail camera regulations and night-vision device rules

Utah Admin. Rule R657-5-7 and Utah Code § 23A-5-307

Since 2022, there have been several Utah Wildlife Board and legislative updates regarding the use of trail cameras and night-vision devices.

What are the trail camera regulations in Utah?

- All trail cameras are prohibited on public land from July 31 to Dec. 31 (with exceptions for approved research and monitoring).
- A trail camera using internal data storage—and not capable of transmitting live data—is permitted for use on private land for the purposes of legal hunting.
- The sale or purchase of footage or data from any trail camera (or non-handheld device) that could be used

to take, attempt to take—or aid in the take or attempted take—of big game, cougars or bears is prohibited. That includes images or video, location information, time and date of the footage, and any other data that could aid in the harvest or attempted take of big game, cougars or bears.

What are the rules for night-vision devices?

- **New rule language:** It is unlawful to possess any type of night-vision device while locating, taking or attempting to locate big game from July 31 to Dec. 31.

For more information

See definitions for night-vision devices and trail cameras on pages 79-80 of this guidebook.

Visit wildlife.utah.gov/trailcams for more details about these rules.

2025 SEASON DATES

CWMU season dates

The Wildlife Board has established timeframes for hunting bucks and bulls on Cooperative Wildlife Management Units. The actual hunt dates for each CWMU can vary.

Hunters should expect to hunt at least five days, generally between Sept. 1 and Oct. 31. Contact the operator of the CWMU to see what the actual hunt days will be this year. In some instances it may be outside of the Sept. 1–Oct. 31 dates.

Before you apply for a CWMU permit, please visit wildlife.utah.gov/cwmu. You'll find detailed information about season dates, CWMU rules, hunt success and how to contact the operator. If you draw a permit, you **must** contact the CWMU operator to confirm your season dates.

Keep in mind that whether you draw or purchase a permit, you may not obtain more than one of each of the following permits during the 2025 big game season:

- Buck deer permit
- Bull elk permit
- Buck pronghorn permit

For example, if you draw a general-season buck deer permit—and then decide you want to hunt on a CWMU instead—you must

surrender your general-season permit before the opening day of the season listed on your permit and before redeeming the private CWMU voucher for a permit.

Reminder: If you choose to surrender any big game permit you've drawn (to purchase/obtain a private CWMU voucher, for example), be sure to do so at least 30 days before your hunt begins in order to keep the preference or bonus points that helped you draw the original permit. You will not earn a point for the current year. **If you surrender a big game permit less than 30 days before the season opens, you will lose all of your previously accrued bonus or preference points for that species and you will not earn a point for the current year.**

As long as you surrender a big game permit before the season opens, any applicable waiting period(s) will be waived.

Important: Nonresidents may not apply for CWMU permits in the drawing. They can, however, obtain a permit voucher directly from the CWMU landowner or operator.

For more information on the CWMU program—including CWMU hunt season dates, operator names and contact numbers—visit wildlife.utah.gov/cwmu.

WILDLIFE.UTAH.GOV/TEAMWILDLIFE

Gathering shed antlers or horns

Utah Admin. Rule R657-5-21

Utah residents and nonresidents may gather shed antlers or horns—or parts of shed antlers or horns—statewide year-round.

New: In order to reduce disturbance and stress to big game animals during winter conditions that affect their survival, there are some requirements you should know about before you go shed hunting:

- Antler gathering ethics course completion is required for anyone gathering sheds between Jan. 1 and May 31 (**new dates**); you must carry proof of course completion on your person (a printed copy or downloaded to your DWR Hunting and Fishing app) when in the field.
- Commercial antler buyers must have a valid certificate of registration.
- The DWR Director has the authority to close shed gathering statewide, which will be triggered by emergency wildlife feeding.

The Utah Wildlife Board also clarified that individuals may modify and resell antlers and horns if they were legally gathered or obtained.

Important: The antler-gathering certificate does not authorize you to trespass on closed areas or private lands to collect shed antlers or horns.

Visit wildlife.utah.gov/antler-gathering for updates and follow us on social media for condition alerts.

Season dates

Online course completion Jan. 1–May 31
certificate required*

* You must complete this course every year.

What if I find antlers or horns attached to a skull?

If you find a skull with the antlers or horns still attached, it's possible the animal was poached.

Do NOT pick up or move the skull, or disturb footprints or other evidence.

Instead, please take the following steps:

- Take photos from a couple of angles
- Pinpoint the location of the skull (preferably its GPS coordinates)
- Report your find to a Division office
- Provide key details in your report

Use the app: Using the DWR Utah Deadhead Reporter app will speed up the required authorization to keep your find. Visit wildlife.utah.gov/deadhead for details and app instructions.

The Division may send a conservation officer to investigate if the animal was poached. If it's clear that the animal died of natural causes, we may allow you to keep the deadhead.

LICENSE, PERMIT AND PROGRAM FEES

Your purchases of hunting and fishing licenses and permits help fund wildlife conservation efforts throughout the state. Thank you for choosing to hunt, trap and fish here in Utah.

License fees

Resident license fees

License	Fee
365-day hunting license (age 13 and under)	\$11
365-day hunting license (ages 14–17)	\$16
365-day hunting license (ages 18–64)	\$40
365-day hunting license (age 65 and older)	\$31
365-day hunting license for disabled veterans (see the box on page 27)	\$25.50
Multiyear hunting license (age 18–64)	\$39 per year, up to five years
365-day combination* license (ages 14–17)	\$20
365-day combination* license (ages 18–64)	\$44
365-day combination* license (age 65 and older)	\$35
365-day combination li- cense for disabled veterans (see the box on page 27)	\$28.50
Multiyear combination* license (ages 18–64)	\$43 per year, up to five years

*Combination license allows you to hunt or fish in Utah.

Nonresident license fees

License	Fee
365-day hunting license (age 17 and younger)	\$34
365-day hunting license (age 18 and older)	\$120
Multiyear hunting license (up to five years) for age 18 and older	\$119 per year, up to five years
365-day combination* license (age 17 and younger)	\$38
365-day combination* license (age 18 and older)	\$150
Multiyear combination* license (age 18 and older)	\$149 per year, up to five years

*Combination license allows you to hunt or fish in Utah.

Credit card processing fee

In the 2024 session, the Utah Legislature authorized a fee up to 3% to cover increasing costs for systems and electronic payment processing. As of July 1, the Division began charging a 2.2% processing fee on all credit card transactions.

Permit fees

Please keep in mind that if you participate in the hunt drawing, you will also be charged a nonrefundable application fee for each species or bonus point you apply for. The application fee is \$10 for residents and \$16 for nonresidents. You will not be charged a permit fee unless you draw a permit.

To see a full list of Utah's license and permit fees, visit wildlife.utah.gov/licenses/fees.

Deer permit fees

Permit	Resident	Nonres.
General deer	\$46	\$418
Youth general deer	\$40	\$418
Limited-entry	\$94	\$670
Multiseason limited-entry	\$170	\$1,130
Premium limited-entry	\$185	\$798
Multiseason premium limited-entry	\$336	\$1,330
Management and cactus buck deer	\$94	\$670
CWMU	\$94	\$670
CWMU management and cactus buck deer	\$94	\$568
Premium CWMU	\$185	\$798

Elk permit fees

Permit	Resident	Nonres.
General any bull or spike bull	\$56	\$613
Multiseason general spike bull	\$200	\$830
Draw-only youth any bull/hunter's choice	\$50	\$613
Youth general elk	\$50	\$613
Limited-entry	\$314	\$1,050
Multiseason limited-entry	\$564	\$1,855
CWMU	\$314	\$1,050

Pronghorn permit fees

Permit	Resident	Nonres.
Limited-entry	\$63	\$371
CWMU	\$63	\$371

Moose permit fees

Permit	Resident	Nonres.
Bull moose	\$454	\$2,244
CWMU	\$454	\$2,244

Bison permit fees

Permit	Resident	Nonres.
Bison (not on Antelope Island)	\$460	\$2,420
Bison on Antelope Island	\$1,221	n/a

Bighorn sheep permit fees

Permit	Resident	Nonres.
Desert bighorn	\$564	\$2,244
Rocky Mountain bighorn	\$564	\$2,244

Mountain goat permit fees

Permit	Resident	Nonres.
Mountain goat	\$454	\$2,244

Dedicated Hunter Program fees

Adult (18 and older)		
Residents		\$215
Nonresidents		\$1,067
Lifetime license holders		\$86
Youth (12 to 17 years old)		
Residents		\$120
Nonresidents		\$834

BASIC REQUIREMENTS

Are you planning to hunt big game in Utah this year? Before you apply for a permit, make sure you meet Utah's age, hunter education, license and permit requirements.

Are you old enough?

Utah Code § 23A-4-703

To hunt big game in Utah, you must be at least 12 years old.

If you are least 11 years old, you can apply for or obtain any big game permits for which you are eligible, including limited-entry and once-in-a-lifetime permits. Any 11-year-olds who apply must be 12 by Dec. 31, 2025.

Remember, you cannot hunt until you are 12 years old.

If you're younger than 18, you can apply to participate in the Utah Hunter Mentoring Program. For details on the program, see the information box on page 20 or visit wildlife.utah.gov/mentoring.

If you're 12 years old or older, you can also participate in the Trial Hunting Program. For details, see the box below.

Utah's Trial Hunting Program

Utah Admin. Rule R657-68

Have you ever wanted to bring your spouse, child or friend along on a hunt and give them a chance to try hunting? Now, they can join you on your next big game hunt.

Utah's Trial Hunting Program allows anyone over the age of 12 to try hunting for three years—while accompanied by a licensed hunter over the age of 21—before taking a Hunter Education course.

The program applies to hunts for many different species, including all general-season big game hunts. (**Important:** Limited-entry and once-in-a-lifetime hunts are excluded from participation in this program.) To sign up for Utah's Trial Hunting Program or to learn more about it, visit wildlife.utah.gov/trial.

Adults must accompany young hunters

Utah Code § 23A-4-708

While hunting big game, a person under 16 years old must be accompanied by their parent, legal guardian or other responsible person who is 21 years of age or older and who has been approved by the parent or guardian.

The Division encourages adults to be familiar with hunter education guidelines or to complete the hunter education course before accompanying youth into the field.

While in the field, the youth and the adult must remain close enough for the adult to see and provide verbal assistance to the young hunter. Using electronic devices, such as walkie-talkies or cell phones, does not meet this requirement.

Have you passed hunter education?

Utah Code § 23A-4-1001 & Utah Admin. Rule R657-23

If you were born after Dec. 31, 1965, you must provide proof that you've passed a hunter education course approved by the Division before you can apply for or obtain a hunting license or a big game permit.

The only exception to this law is for individuals who are participating in the Division's Trial Hunting Program. You can find details about the program in the box to the left or by visiting wildlife.utah.gov/trial.

Proof of hunter education

You can prove that you've completed hunter education by obtaining a hunter education card (called a "blue card" in Utah) or if you have a verified hunter education number on file with the Division. The number is assigned when you complete hunter education and your blue card is issued.

How to take hunter education

To get started, you should visit wildlife.utah.gov/huntereducation. You'll see links to various traditional and online hunter education courses. Follow the instructions on the website to obtain a hunter education registration certificate (required) and to register for a course online.

If you need assistance, please contact your local Division office or call 801-538-4727.

When you finish the course, your instructor will verify your course completion in the online hunter education system. At that point, you will be able to apply for or obtain permits in the Division's hunt drawing, and your hunter education registration certificate will become your hunting license.

Approximately four to six weeks after you complete the course, you will receive your blue card by mail.

You should also keep the following in mind:

- Hunters under the age of 16 must be accompanied by an adult while hunting.
- Regardless of when a student graduates, all hunting regulations (such as season dates and bag limits) will apply.
- Hunters who are planning to hunt out of state should allow enough time for their hunter education card to arrive in the mail.

New to Utah?

If you become a Utah resident, and you've completed a hunter education course in another state, province or country, you must obtain a Utah blue card before you can buy a resident hunting license. You can obtain a Utah blue card at any Division office by providing proof that you've completed a Division-approved hunter education course, or by submitting the online form at wildlife.utah.gov/hunter-ed-transfer.

Do you have a license?

Utah Code §§§ 23A-4-201, 23A-4-703 and 23A-5-309

You must have a current Utah hunting or combination (hunting and fishing) license before you can apply for any big game permits, bonus points or preference points. Licenses are available at wildlife.utah.gov and from license agents and Division offices.

Be sure to take a look at the date on your license before you apply for any permits or points. As long as your license is valid on the date you submit your application, you don't have to purchase a new license for the actual hunt.

For example, assume that your license expires on June 21, 2025. If you apply before that date, you do not have to purchase a new license for your hunt in the fall. All hunting and combination licenses are valid for 365 days from the date of purchase.

Do you have a permit?

Utah Admin. Rule R657-62-18

To participate in any of Utah's big game hunts, you need to obtain a hunting permit. See page 18 to learn about the types of permits available in 2025.

Utah issues most of its big game permits through the big game hunt drawing. To apply for this drawing, visit wildlife.utah.gov between March 20 and April 24, 2025. For additional details and important dates, see *Apply for big game permits* on page 28.

Important: Before you go into the field, review your permit and sign it. A permit must bear your signature to be valid.

Carry your permit

If you are successful in obtaining a big game permit, you must have it on your person while hunting. You cannot alter your license or permit, nor can you sell, transfer or loan either of them to another person.

PREPARE TO APPLY

Utah Admin. Rule R657-62-18

To participate in Utah's big game hunts, you need to obtain hunting permits. The Division distributes most of those permits through the big game hunt drawing. You can apply for the drawing from March 20–April 24, 2025. It will be easier to apply if you are thoroughly prepared before you begin the application process.

Residency and hunt options

Utah Code § 23A-1-101

Before you apply for any big game hunts, it's important to know whether you are a legal resident of the state of Utah. Although residents and nonresidents can apply for many of the same types of permits, there are some differences.

New: To apply for a resident permit, you must be a Utah resident on the date you submit your application. See the definition of *Resident* on page 79.

Residents

If you're a Utah resident, you can apply for one limited-entry permit for only **one** of the species listed below:

- Buck deer—Any one of the limited-entry buck deer hunts (see the hunt tables that start on page 48)
- Bull elk—Any one of the limited-entry bull elk hunts (see the hunt tables that start on page 53)
- Buck pronghorn—Any one of the limited-entry buck pronghorn hunts (see the hunt tables that start on page 60)

In addition to applying for a limited-entry permit for one of those three species, you can also apply for one once-in-a-lifetime permit. (See the definitions of limited-entry hunt and limited-entry permit on page 78.)

You may draw only one of the above permits each year.

Nonresidents

If you're a nonresident, you can apply to hunt all of the following:

- Buck deer—All of the limited-entry buck deer hunts open to nonresidents (see the hunt tables that start on page 48)
- Bull elk—All of the limited-entry bull elk hunts open to nonresidents (see the hunt tables that start on page 53)
- Buck pronghorn—All of the limited-entry buck pronghorn hunts open to nonresidents (see the hunt tables that start on page 60)
- All once-in-a-lifetime species for which you are eligible (see the hunt tables that start on page 63)

You may draw only one of the above permits each year. (See the definitions of limited-entry hunt and limited-entry permit on page 78.)

Note: If you obtain a nonresident big game permit (not an antlerless permit), it also serves as a nonresident fishing license.

Both residents and nonresidents

There are additional hunting opportunities available to both residents and nonresidents. Even if you apply for one or more of the hunts listed above, you can also apply for one of the following general-season deer permits:

- An archery buck deer permit
- An any legal weapon (rifle) buck deer permit
- A muzzleloader buck deer permit
- Dedicated Hunter Program permit

As you apply for various permits, please remember that you may not obtain more than one buck deer or one bull elk permit each year. For example, if you obtain a limited-entry deer permit, you may not buy a general-season deer permit.

Research your options

It's important to nail down the details before applying for a hunt. You don't want to accidentally apply for the wrong hunting unit or season. We've provided information in this guidebook and links to online tools that can help you research your options.

Review the hunt tables

All of the big game hunts you can apply for are listed in the tables that begin on page 42. You will need to use the hunt numbers associated with the hunts in order to apply for permits. Please keep in mind that hunt names and boundaries may change from year to year.

See maps and boundaries online

You'll find detailed maps and boundary descriptions for all big game hunts at hunt.utah.gov.

Research hunts on the Utah Hunt Planner

There's a useful online tool that can help you plan a successful, enjoyable hunt. The Utah Hunt Planner is located at hunt.utah.gov.

During the application period (March 20–April 24), you can research hunts on the Utah Hunt Planner. If you obtain a big game permit in 2025, this is a tool that can help you have a great experience during your hunt.

Check proposed permit numbers

Hunters can access proposed permit numbers for each hunt unit beginning in April. This information will be available on the Utah Hunt Planner at hunt.utah.gov.

The Utah Wildlife Board will approve final permit numbers on May 1, 2025.

Obtain permission to hunt private property

The Division cannot guarantee access to private land, and the agency does not have the names of landowners who own property where hunts occur.

You must obtain documented permission from the landowner or the landowner's authorized representative before hunting or trapping on private lands. Ideally, you should have permission **before** you apply for a permit.

You can download a landowner permission card at wildlife.utah.gov/permission.

Understand the drawing order

Utah Admin. Rule R657-62-18

A better understanding of the drawing order may affect which permits you decide to apply for. Big game permits are drawn in the following order:

- First—Buck deer (all limited-entry permits)
- Second—Bull elk (all limited-entry permits)
- Third—Buck pronghorn (all limited-entry permits)
- Fourth—Once-in-a-lifetime permits
- Fifth—General buck deer (Lifetime License holders)
- Sixth—General buck deer (Dedicated Hunters)
- Seventh—General buck deer (youth)
- Eighth—General buck deer
- Last—Draw-only youth any bull/hunter's choice elk

Because of the order in which permits are drawn, you will **not** be included in the drawing for a once-in-a-lifetime permit if you draw any of the following permits:

- Buck deer (any limited-entry permit)
- Bull elk (any limited-entry permit)
- Buck pronghorn (any limited-entry permit)

The definition of a limited-entry permit is listed on page 79. For more information about the permit drawing order, please visit wildlife.utah.gov/drawings.

Know how to apply as a group

Utah Admin. Rule R657-62-7 and R657-62-18

If you want to apply with your friends and family as a group, there are some important things to consider before selecting your hunt choices.

Both residents and nonresidents can apply together. However, if you're a Utah resident and you decide to apply with a nonresident, make sure nonresident permits are available for each hunt your group is applying for. If nonresident permits are not available for a hunt your group is applying for, the nonresident and everyone else in the group—including the Utah residents—will not be allowed to draw for that hunt unit.

Up to **four hunters**—including a mix of residents and nonresidents—can apply together for available general-season deer, limited-entry deer, elk or pronghorn permits by using a group code. Group applications are not accepted for management buck deer hunts or once-in-a-lifetime hunts.

Visit wildlife.utah.gov/group-applications for more information about using a group code in the big game application.

Hunter Mentoring Program

The Utah Hunter Mentoring Program allows any qualifying adult to share their hunting permits with youth (ages 12–17).

Permits that are eligible for sharing under the Hunter Mentoring Program include all big game permits as well as black bear, turkey, greater sage-grouse and sharp-tailed grouse permits. Only tundra swan and sandhill crane permits may not be shared because they are subject to conflicting federal regulations.

To learn more about program eligibility and requirements and to download the application form, visit wildlife.utah.gov/mentoring.

Applying as a youth-only group: Up to four youth can apply together in a youth-only group. **Important:** If you're a youth and you want an opportunity to draw one of the permits reserved for youth, **do not** apply in a group with an adult. Visit wildlife.utah.gov/group-applications for details.

Why bonus points matter

Utah Admin. Rule R657-62-8

Utah's bonus point system has been put in place to increase your chance of drawing a big game permit. Knowing more about the points system may be helpful during the application process.

Every time you apply for a limited-entry permit, but you don't draw one, you receive a bonus point for that species.

Applying for a general-season buck deer permit will not affect your ability to obtain a bonus point for limited-entry deer. If you draw a general-season buck deer permit, you'll still receive a bonus point if you are unsuccessful in drawing a limited-entry buck deer permit.

Applying for a bonus point

Even if you're not going to hunt in 2025, you can still receive a bonus point by applying for one. To apply for a bonus point, select the appropriate bonus point code on your application and pay the application fee, which is \$10 for residents and \$16 for nonresidents. The 2025 bonus point application period is March 20–April 24, or you may apply during the June 4–18 antlerless application period.

Because you apply for bonus points by species, instead of by hunt, you may apply for a bonus point even if a particular hunt isn't being offered in 2025.

To apply for a bonus point, you must be eligible for the hunt the bonus point will be awarded for. For example, if you're eligible for a limited-entry buck deer permit, you're eligible to apply for a limited-entry buck deer bonus point.

Explore our maps using the Avenza Maps™ app

Find the perfect spot to catch a Yellowstone cutthroat or get a birds-eye view of Utah's big game hunting units with Utah DWR maps in the Avenza Map Store.

These maps are all available for free on the Avenza app and can be downloaded to your mobile device before heading out into the field—so that you can still use them without internet or cell phone service.

There are a few ways you can access Avenza Maps:

- Download the Avenza Maps app in the App Store or Google Play. You can find our maps by searching “UDWR” in the Avenza Map Store.
- Turn to the maps beginning on page 36 and use your mobile device to scan the QR code on the map you want to view.

Happy adventuring!

Residents

If you're a resident, you may apply for one of the following:

- One limited-entry permit and one once-in-a-lifetime permit
- One limited-entry permit and one once-in-a-lifetime bonus point
- One limited-entry bonus point and one once-in-a-lifetime permit
- One limited-entry bonus point and one once-in-a-lifetime bonus point

You may **not** apply for the following:

- A permit and a bonus point for the same species
- More than one limited-entry bonus point
- More than one once-in-a-lifetime bonus point

Nonresidents

If you're a nonresident, you may apply for permits or bonus points for all limited-entry and once-in-a-lifetime species. However, you may not apply for a permit and a bonus point for the same species.

Please remember that you may draw only one limited-entry or once-in-a-lifetime permit each year.

How bonus points work

For detailed information on how your bonus points work in the drawing, visit wildlife.utah.gov/points.

Why preference points matter

Utah Admin. Rule R657-62-9

Utah's preference point system gives hunters who don't draw a general-season buck deer permit a better chance at drawing one the following year.

Each time you apply for a general-season buck deer permit and don't draw one, you'll receive a preference point. Please keep in mind that preference points are given for a species—deer, in this case—and not for a particular hunting unit.

Applying for a preference point

Even if you won't be hunting general-season buck deer in 2025, you can still apply for a preference point by selecting code GDR on your application and paying the application fee. The application fee is \$10 for residents and \$16 for nonresidents. The 2025 application period is March 20–April 24, or you may apply during the June 4–18 antlerless application period.

If you draw a general-season deer permit, you will lose your preference points and not receive an additional preference point.

Reminder: If you purchase a general-season buck deer permit that remains available after the drawing, you will lose any preference points you have for general-season buck deer.

How preference points work in the drawing

For detailed information on how your preference points work in the drawing, visit wildlife.utah.gov/points.

Are you eligible to apply?

Before you submit your application, make sure that you are eligible to participate in the big game drawing.

You may not apply if...

You may not apply for a hunting permit, a bonus point or a preference point if any of the following conditions apply:

- Your big game hunting privilege has been suspended.
- You're under a waiting period for the species you want to apply for.
- You've already obtained a permit for the once-in-a-lifetime species you want to apply for.
- You drew any type of big game or antlerless permit in 2024, but you didn't submit a harvest report or pay the late fee (if applicable).
- You don't have a hunting or combination license.

Multiseason hunts for deer and elk

Utah Admin Rules R657-5-26 and R657-5-32

Utah offers some multiseason hunts for buck deer or bull elk on select limited-entry or premium limited-entry units during multiple seasons listed in the hunt tables of this guidebook. Those tables begin on page 42. Permits for those hunts are available through the big game drawing application.

Note: A hunter with a general multiseason spike bull elk permit may still participate in both the spike and any bull

Additionally, if you are a CWMU landowner association member or a spouse or dependent child, you cannot apply for your own CWMU permits in the big game drawing.

Waiting periods

Waiting periods keep successful applicants out of the drawing for a few years and give other hunters a better chance at drawing a permit.

Limited-entry buck deer, buck pronghorn and bull elk permits

Utah Admin. Rule R657-62-18

The waiting period for limited-entry buck deer is five years.

The bull elk waiting period is five years.

The waiting period for buck pronghorn is two years.

Waiting periods do not apply to general-season permits.

Note: A youth may draw only one draw-only youth elk permit during their years as a youth.

Once-in-a-lifetime permits

Utah Admin. Rule R657-62-18

Bull moose, bison, Rocky Mountain bighorn sheep, desert bighorn sheep and mountain goat permits are once-in-a-lifetime permits. If you obtain a once-in-a-lifetime permit for a particular species, such as a bull moose, you may not apply for that permit again in the drawing.

hunts during the archery general season.

See page 10 for more information about all elk permit sales dates. Visit wildlife.utah.gov in early June to see purchase times and locations.

For detailed information about the multiseason spike elk hunts, see the 2025 *Utah Big Game Field Regulations Guidebook* in June 2025.

Important: Please keep in mind that when you hunt multiple seasons, you must use the appropriate weapon type for the season.

You can still apply for other once-in-a-lifetime species that you haven't drawn a permit for.

Also, if you've been convicted of unlawfully taking a once-in-a-lifetime species, you may never apply for or obtain a permit for that species again.

Permits obtained after the drawing

Utah Admin. Rule R657-62-15

If you're under a waiting period for a certain species, you can still obtain any permit that remains for that species after the drawing, but your waiting period will start all over again.

For example, if you have two years left on your bull elk waiting period, and you buy a limited-entry bull elk permit that remains available after the drawing, you'll begin a new five-year waiting period that will prevent you from applying for a limited-entry bull elk permit for the next five years.

If you're not already under a waiting period—and you obtain a limited-entry or once-in-a-lifetime permit that remains available after the drawing—you will lose your bonus points for that species and incur a waiting period.

Private CWMU, conservation, expo and landowner permits

Utah Admin. Rule R657-62-18

If you obtain a CWMU, conservation, expo or landowner permit from a private individual or organization—for deer, elk or pronghorn—you won't be subject to a waiting period.

If you obtain a once-in-a-lifetime permit in the expo drawing or from a conservation organization, you may not apply for that species in any other public drawing.

The rules regarding CWMU and once-in-a-lifetime permits are as follows:

- If you have obtained a once-in-a-lifetime permit in the public drawing in the past, you may buy a once-in-a-lifetime permit from a landowner or a CWMU operator.

Obtain up to three elk permits

Utah Admin. Rule R657-5-33

In Utah, a hunter can obtain up to three elk permits each year:

- A maximum of one permit can be for a bull elk.
- A maximum of one antlerless elk permit can be obtained through the antlerless hunt drawing.
- A maximum of two antlerless elk permits can be obtained over the counter.

Even though you cannot obtain antlerless elk permits until the summer of 2025, knowing about this opportunity may affect which permits you apply for in the big game drawing.

Important: Antlerless elk permits may be used **only** during the season dates printed on your permit.

- If you have not obtained a once-in-a-lifetime permit in the public drawing—and you buy a once-in-a-lifetime permit from a landowner or a CWMU operator—you may not obtain a permit in the public drawing for that species in the future.

Keep in mind that whether you draw or purchase a permit, you may not obtain more than one of each of the following permits during the 2025 big game season:

- Buck deer permit
- Bull elk permit
- Buck pronghorn permit

For example, if you draw a general-season buck deer permit—and then decide you want to hunt on a CWMU instead—you must surrender your general-season permit before the opening day of the season listed on your permit and before redeeming the private CWMU voucher for a permit.

Reminder: If you choose to surrender any big game permit (in order to purchase/obtain a private permit not offered through the drawing), be sure to do so at least 30 days before your hunt begins in order to keep the preference or bonus points that helped you draw the original permit. You will not earn a point for the current year. **If you surrender a big game permit less than 30 days before the season opens, you will lose all of your previously accrued bonus or preference points for that species, and you will not earn a point for the current year.**

As long as you surrender a big game permit before the season opens, any applicable waiting period(s) will be waived.

Mandatory reporting

Reporting your hunt information is important—and required—even if you didn't harvest an animal. You must report your hunt information for any type of limited-entry, general-season, antlerless or once-in-a-lifetime hunt within 30 days of the end of the hunt.

If you didn't meet this reporting requirement, you won't be allowed to apply in the 2025 big game or antlerless application, or for bonus or preference points; however, you can restore your eligibility by submitting your harvest report and paying a \$50 late fee. (This fee will be waived for your 2024 general-season buck deer and bull elk hunts, but late fees will apply starting with this year's hunts.)

See the information box on page 27 for additional details on mandatory reporting requirements.

Hunts with special circumstances

Most of the permits you can draw through the big game hunt drawing are pretty self-explanatory. There are a few hunts, however, that require additional explanation.

Management buck deer hunt

Utah Admin. Rule R657-5-45

A "management buck" is a buck deer with three points or less on at least one antler, above and including the first fork, but not including the eye guard. The eye guard does not count as a point. A point is a projection that's longer than one inch, measured from its base to its tip, including damaged or broken antlers.

Management buck deer permits are available through the Utah big game drawing. **Important:** If you obtain a management buck deer permit, that is the **only** buck deer permit you may obtain for the 2025 season. You will lose your bonus points and incur a waiting period of **five** years.

Why a management buck deer hunt?

Removing excess bucks—while protecting the larger bucks in the herds—is the goal of the management buck deer hunt.

The Paunsaugunt unit has high buck-to-doe ratios. Harvesting smaller-antlered bucks will preserve trophy-class bucks and provide more room for does. Having more does in the herds will result in more fawns being born. Having more fawns will help ensure that these herds remain strong and healthy into the future.

Cactus buck hunts

Utah Admin. Rule R657-5-46

You can also apply for a permit to hunt a cactus buck on the Paunsaugunt unit or on the Alton CWMU. These bucks often have unique antler growth that many hunters find fascinating.

A cactus buck is one that still has velvet covering at least 50 percent of its antlers during the season dates set by the Wildlife Board. For season dates, see the hunt table on page 49.

Important: If you obtain a cactus buck deer permit, that is the **only** buck deer permit you may obtain for the 2025 season. You will lose your bonus points and incur a waiting period of **five** years.

HAMSS buck deer hunts

Utah Admin. Rule R657-5-47

For 2025, the Utah Wildlife Board approved four handgun-archery-muzzleloader-shotgun-straight walled rifle-only (HAMSS) hunts for buck deer. These hunts are considered limited-entry hunts. The hunts will take place in the following units:

- Book Cliffs, Floy Canyon
- East Canyon
- Kaiparowits HAMSS
- San Juan, Mancos Mesa (new)

Note: On all HAMSS hunts, no weapon-mounted optics are allowed. The complete weapon specifications for these hunts are currently listed online in *Utah Admin. Rule R657-5-47* and will also be included in the *2025 Big Game Field Regulations Guidebook*, available in June 2025.

For specific season dates, see the hunt tables on page 52.

Important: If you are successful in obtaining a permit for one of these hunts, you will lose your bonus points and incur a waiting period of **five** years.

HAMSS limited-entry elk hunts

Utah Admin. Rule R657-5-47

For 2025, the Utah Wildlife Board approved handgun-archery-muzzleloader-shotgun-straight walled rifle-only (HAMSS) hunts on these five limited-entry elk units:

- Barney Top/Kaiparowits
- Cache, North
- East Canyon (new)
- Southwest Desert, North
- West Desert, Deep Creek

Note: On all HAMSS hunts, no weapon-mounted optics are allowed. The complete weapon specifications for these hunts are currently listed online in *Utah Admin. Rule R657-5-47* and will also be included in the *2025 Big Game Field Regulations Guidebook*, available in June 2025.

For specific season dates, see the hunt tables on page 60.

Important: If you are successful in obtaining a permit for one of these hunts, you will lose your bonus points and incur a waiting period of **five** years.

Don't lose your hunting and fishing privileges

As a hunter or angler in Utah, it is your responsibility to know the laws and abide by them. Wildlife violations may result in fines, jail time, confiscation of equipment and the loss of hunting and fishing privileges.

Wildlife crimes are serious. Learn more at wildlife.utah.gov/know-consequences.

Restricted weapons hunts (new)

Utah Admin. Rule R657-5-48

As part of the new mule deer management plan approved by the Wildlife Board, four mule deer units will be part of a research study evaluating weapons technology restrictions and hunter satisfaction. Restrictions will not apply to limited-entry late muzzleloader hunts, but do apply for those with Dedicated Hunter permits.

The following units have restricted weapons hunts (seasons with technology restrictions are in parentheses):

- Beaver, West (general-season muzzleloader, rifle)
- Boulder/Kaiparowits (general-season muzzleloader, rifle)
- Cache (general-season muzzleloader, rifle)
- Thousand Lakes (limited-entry archery, muzzleloader, rifle)

In addition to all equipment and weapons requirements for big game hunting in Utah, the specific restrictions are summarized in this table:

Weapon type	Restrictions
Restricted archery equipment	<ul style="list-style-type: none">• Must be a single-stringed longbow or recurve bow with no cables, pulleys or cams• Has no sights• Has a draw weight of 40 pounds or more
Restricted muzzleloader equipment	<ul style="list-style-type: none">• The ignition system is limited to traditional flintlock, wheellock, matchlock, musket cap or percussion cap (all other ignition systems, including 209 primers, are prohibited)• Contains only open sights or peep sights
Restricted rifle equipment	<ul style="list-style-type: none">• Contains only open sights or peep sights• Cannot be semiautomatic

See Utah Admin. Rule 657-5-48 for details.

ADVENTURE AWAITS

Mandatory reporting requirements

Reporting your harvest helps the DWR maintain more comprehensive and quality harvest data year-to-year.

Harvest surveys have been required for all limited-entry big game hunts in Utah for over two decades, for all antlerless hunts since 2023, and general-season buck deer and bull elk hunts, since 2024. You are required to report your harvest for all big game and antlerless permits **within 30 days after your hunting season ends** even if you did not harvest an animal.

Remember: If you are hunting the extended archery seasons for **general-season** buck deer or bull elk, you have up to 30 days after the extended archery hunt closes to report your harvest. This deadline exception does not apply to limited-entry archery hunts.

How do I complete my harvest survey?

It only takes a few minutes to complete a harvest report. To report your harvest, call any regional office or visit wildlife.utah.gov/harvest.

What if I don't complete my harvest survey within 30 days?

If you don't meet this reporting requirement, you won't be allowed to apply in the following year's big game or antlerless application, or for bonus or preference points. However, you can restore your eligibility to apply for a permit by submitting your harvest report and paying a \$50 late fee.

For more information about harvest reporting requirements, restrictions and fines visit wildlife.utah.gov/harvest.

Thank you for providing better insights into Utah's big game populations statewide by reporting your harvest.

Discounted licenses for disabled veterans

The Division offers discounted hunting and combination licenses to Utah servicemembers who were disabled in the line of duty.

The discounted hunting license is \$25.50, instead of the \$40 full price. Likewise, the discounted combination license is \$28.50, instead of the \$44 full price. Either license is good for 365 days from the day you buy it. Discounted licenses are available online or from all Division offices listed on page 2.

To purchase a discounted hunting or combination license, you must be a Utah resident

and have a qualifying service-connected disability of at least 20 percent.

To apply for a license online, please visit wildlife.utah.gov/disabledvet and complete the online form. If you need assistance, please call the nearest Division office.

If you choose to visit a Division office to purchase your license, simply bring the verification of service-connected disability documentation that the Department of Veterans Affairs issued to you.

You can find additional resources for hunters and anglers with disabilities at wildlife.utah.gov/disabled-access.

APPLY FOR BIG GAME PERMITS

Utah Admin. Rule R657-62-18

To participate in any of Utah's big game hunts, you need a hunting permit. Your first, and possibly only, chance to obtain one of these permits is through the state's big game drawing. You will avoid unnecessary stress if you plan ahead and apply for the drawing before the last day of the application period.

BIG GAME APPLICATION BEGINS

MARCH 20, 8 A.M. MDT

Application fees (per species):
Resident: \$10 • Nonresident: \$16

BIG GAME APPLICATION ENDS

APRIL 24, 11 P.M. MDT

Deadline to withdraw or edit your application

DRAWING RESULTS AVAILABLE

MAY 15

2nd CHANCE TO APPLY FOR BIG GAME BONUS/PREFERENCE POINTS

JUNE 4-18

During the antlerless application period

BIG GAME PERMITS MAILED

EARLY JULY

How to apply, edit or update:

Visit utah-hunt.com to apply, edit your application or update your debit/credit card

View drawing results at
utah-hunt.com/UT_Returncard

What to know about applying:

- You must have a valid hunting or combination license to apply
 - If needed, you can buy a license at the same time you submit your application
- Edit your application at no charge anytime during the app period
 - Visit utah-hunt.com and click the *View, Edit and Withdraw* button
- Credit/debit cards must be valid through June 2025
 - The Division is not responsible for any bank charges incurred for the use of credit/debit cards
- Visit wildlife.utah.gov or call 800-221-0659 for application help
 - You can also call any Division office before 5 p.m. MDT on April 24.

Residency requirements:

To apply as a Utah resident in the big game application, you must be a resident at the time of application.

See page 79 for the residency definition.

PURCHASE OVER-THE-COUNTER PERMITS

Utah Admin. Rule R657-62-18

Any permits remaining after the big game drawing—and all general-season elk permits—are available on different days throughout July. There are also a few other options for permits sold over the counter which you can take advantage of.

Browse available permits:

In mid-May, you can find a full list of available permits at wildlife.utah.gov/remaining-permits

What to know about purchasing these over-the-counter permits:

- Permits go on sale at 8 a.m. MDT
- You must have a valid hunting or combination license to purchase a permit
- Purchase permits online at wildlife.utah.gov, or in person at any DWR office or license agent
- Permits are sold on a first-come, first-served basis

Reminder about point loss:

- If you purchase a remaining permit from the hunt drawing, you will lose your bonus/preference points
 - This includes remaining general-season buck deer permits
 - This excludes youth archery deer permits

Reminder about waiting periods:

- If you purchase a remaining permit from a draw, you will incur any relevant waiting period
 - This includes the lifetime waiting period for the Nine Mile Bison permit

OVER-THE-COUNTER SALES DATES

JULY 8

- General-season archery elk permits
- Youth general-season elk permits
- Remaining limited-entry big game permits (if available)
- Remaining general-season buck deer permits (if available)
- Youth archery general-season buck deer permits
- Bison permits for the Nine Mile unit

JULY 10

- General-season any bull elk permits
- General-season private-lands-only any bull elk permits (Uinta Basin)

JULY 17

- General-season spike bull elk permits
- Multiseason spike bull elk permits

JULY 29

- Remaining antlerless permits (if available)
- Antlerless elk control permits
- Private-lands-only antlerless elk permits

AFTER YOU APPLY

Utah Admin. Rule R657-62-18

After the application period ends, the hunt drawing occurs. We appreciate your patience throughout the drawing process and in awaiting your results.

Updating your personal information

A lot of things can change while you're waiting to find out if you drew a permit. If you need to update your name (because of marriage or divorce), your address or the credit card number associated with your application, please call 800-221-0659 or visit utah-hunt.com.

Obtaining your drawing results

You will receive an email that contains your drawing results on May 15, 2025. You can also learn your drawing results by visiting wildlife.utah.gov or by calling 800-221-0659.

To protect applicants' privacy—and to comply with governmental records access laws—you'll receive access to only your own drawing results.

Obtaining permits

If you draw a permit in the big game drawing, you'll receive your permit in the mail in July.

If your permit requires you to complete an online orientation course, you must first complete the course in order to receive your permit.

Reminder: If you obtain a general-season buck deer permit over the counter (after the big game drawing), you will lose any preference points you've previously accrued for buck deer.

Please be aware that if you receive your permit, and then the credit card you used for payment is refused, your permit is not valid. To update the credit card number associated with your application, please call 800-221-0659 or visit utah-hunt.com.

Surrendering permits

Utah Code § 23A-4-207 and Utah Admin. Rule R657-42-4

What happens if you obtain a permit and then realize you won't be able to use it?

If your season hasn't started, you should consider surrendering the permit. If you surrender early enough, you'll be able to keep your bonus points or preference points and avoid a waiting period.

Reminder: If you want to surrender your big game permit, you are strongly encouraged to do so **at least 30 days before the season opens**. The surrender process has changed and could result in the loss of previously accrued bonus or preference points. Learn more below or visit wildlife.utah.gov/refund.

Individuals

How permit surrender affects bonus and preference points

If you surrender a big game permit at least 30 days before the start of the season, you'll get all of your previously accrued bonus or preference points for that species/permit back, but you will not earn a point for the current year. **Important: If you surrender a big game permit less than 30 days before the season opens, you will lose all of your previously accrued bonus or preference points for that species/permit and you will not earn a point for the current year.**

As long as you surrender a big game permit before the season opens, any applicable waiting period(s) will be waived.

Groups

How permit surrender affects bonus and preference points

If you obtain a permit through a group application—and then you decide to surrender it—you will not have your bonus or preference points reinstated unless your **entire** group meets the following conditions:

- All group members must surrender their permits.
- Permit surrenders must occur at least 30 days before the start of the season.

Note: Even if you meet the above conditions, you will not earn a point for the current year.

Important: If some of your group members surrender their permits **less than 30 days** from the season opener, **all** group members will lose **all** of their bonus or preference points.

Members of the group may not surrender their permits individually unless the surrender occurs because of:

- Activation in the military
- An injury/illness that will prevent the individual from hunting
- Death

How permit surrender affects waiting periods

If members of a group surrender their permits before the season begins, the waiting period will be waived. General-season permits are not subject to waiting periods.

Dedicated Hunters

If you're enrolled in the Dedicated Hunter Program, and you decide to surrender your permit, you must return it to the Division before Aug. 16, 2025 (the day the general-season archery deer hunt opens).

Plan on sharing the mountain

As much as you'd like to have Utah's backcountry to yourself, you share it with campers, hikers, photographers and other hunters. Some of those hunters are after big game—just like you—while others are pursuing black bear, forest grouse and other species.

Everyone shares the landscape, so please be patient and considerate when encountering others on public land.

Private landowner and CWMU permit holders

If you obtain a limited-entry landowner permit or a private CWMU permit, you can surrender it.

Limited-entry private landowner permits must be surrendered before the season the permit was issued for opens.

To surrender a private CWMU permit, there are two options. If possible, you should surrender your CWMU permit before the CWMU season opening dates listed on page 12.

To surrender your permit after the CWMU season has started, but before you hunt, you and the CWMU operator must both sign an affidavit stating that you did not hunt with the permit. Both of the signatures must be notarized.

After the signatures are notarized, submit the affidavit and the unused permit to the Division.

Permit refunds and exchanges

Utah Code § 23A-4-207 & Utah Admin. Rule R657-42

The Division rarely issues refunds for permits, licenses or certificates of registration, but there are some exceptions. To see if you're eligible for a refund, visit wildlife.utah.gov/refund.

Reminder: If you are eligible for a refund, you must submit all required forms and accompanying paperwork within 90 days of the season ending in order to qualify for a full refund.

Permit exchanges

You may exchange your general-season deer or elk permit for one that's available in another unit, but it must be for the same species and sex. For example, you cannot exchange a buck deer permit for a bull elk permit. The exchange must occur before the season opening date on the permit you originally obtained.

You must also pay a \$10 handling fee to exchange a permit.

Duplicate licenses

Utah Code § 23A-4-208 & Utah Admin. Rule R657-5-5

If your unexpired license or permit is destroyed, lost or stolen, you can obtain a duplicate from a Division office or a license agent for \$10 or half of the price of the original license or permit, whichever is less.

If you drew a license or permit, but you never received it, the Division may waive the fee that you would normally have to pay to get a duplicate.

Keep in mind that you can also use the Utah Hunting and Fishing app to legally carry hunting or combination licenses on a phone or tablet for all the members of your family. To download the app, visit wildlife.utah.gov/mobileapp.

Important: Any original license, permit, tag or certificate of registration becomes invalid when surrendered or forfeited, or when a duplicate or exchanged one is issued.

Lifetime license holders: Obtaining your permit in 2025

Utah Admin. Rule R657-17

Lifetime licenses were last sold in Utah in 1994. If you are one of the lucky hunters who has a lifetime license, the Division wants you to obtain your deer permit as quickly and smoothly as possible:

- To select the unit you want to hunt, you'll need to complete the online lifetime license questionnaire. The questionnaire is located in the 2025 big game application. Visit wildlife.utah.gov between March 20 and April 24, 2025 to access the application, complete the questionnaire and select a unit.
- If you do not complete the lifetime license questionnaire by April 24, 2025, you will automatically receive a permit for the unit you selected in 2024.
- If you did not select a general-season unit in the past three years, and you do not complete your lifetime license questionnaire in 2025, you may obtain a remaining permit at a Division office, starting July 8.
- If your address changes, please notify the Division immediately.
- If you are already enrolled in the Dedicated Hunter Program, you are not required to complete your lifetime license questionnaire.
- If you are planning to apply for the Dedicated Hunter Program in 2025, you must complete your lifetime license questionnaire.

For more information about lifetime licenses, visit wildlife.utah.gov/lifetime.

DEDICATED HUNTER PROGRAM

Utah Admin. Rule R657-38

Enjoy more hunting opportunities and help Utah wildlife.

Want to spend more time hunting deer in Utah? Consider applying for the Dedicated Hunter Program.

As a participant, you could enjoy up to three consecutive years hunting the same general-season deer unit and help Utah wildlife.

Benefits and requirements

As a Dedicated Hunter, you'll complete specific requirements in each of the three years you participate to obtain your deer permit.

Then, you'll be able to use your permit to hunt during all of the general deer seasons: archery, muzzleloader and any legal weapon (rifle).

In exchange for this opportunity, participants:

- Complete a wildlife conservation ethics course.
- Complete at least 32 volunteer hours on Division-approved service projects during the three-year period.
- May harvest a deer in two of the three years of program participation.

Remember: Applicants to the Dedicated Hunter Program are no longer required to complete an orientation course before applying for the program in the big game drawing. Instead, you will acknowledge and agree to the program requirements as part of your application. Keep in mind that there are minimum annual service requirements during each year you are enrolled.

Please visit wildlife.utah.gov/dh for more information about the program.

Joining the program

Participants join the Dedicated Hunter Program by applying in the annual big game drawing. Online applications for the Dedicated Hunter Program will be accepted from March 20–April 24, 2025 (as part of the 2025 big game application process). Results of the drawing will be available on May 15, 2025.

The application fee is \$10 for residents and \$16 for nonresidents. If your application is drawn, you will be charged the appropriate program fee. (Dedicated Hunter Program fees are listed on page 15.) You may apply as an individual or in groups of up to four hunters.

New this year: To improve the state's overall drawing odds, the Utah Wildlife Board approved that big game applicants may apply for a general-season buck permit/point or a Dedicated Hunter COR/point, but not both.

Dedicated Hunter preference points

If you apply for the Dedicated Hunter Program in 2025, and you aren't selected to participate, you'll receive a Dedicated Hunter preference point, which will give you a better chance at getting into the program in a future year.

If you don't want to join the program this year—but you'd like a better chance at participating in the future—just apply for a Dedicated Hunter preference point.

For additional details about the program, please visit wildlife.utah.gov/dh.

**DOUSE. STIR.
CHECK. REPEAT.**

Extinguish campfires. Prevent wildfires.

OPPORTUNITIES FOR YOUNG HUNTERS

In 2025, there are many options for youth who want to hunt big game.

Hunting deer for multiple seasons

Twenty percent of Utah's general-season buck deer permits are allocated to youth in the big game drawing. For the purposes of big game hunting, you are a youth if you will be 17 years of age or younger on July 31.

Any legal weapon permits

If you are a youth who obtains a general-season any legal weapon deer permit (**for either the early season or the late season**), you may hunt during all general seasons for buck deer including archery, extended archery (course required), muzzleloader and any legal weapon seasons (including the early season only if your unit offers it). See the table below for full details on which seasons a youth may hunt with their any legal weapon permit.

Muzzleloader permits

If you obtain a general-season muzzleloader deer permit, you may hunt only during the general muzzleloader season. You must use muzzleloader equipment and hunt only the unit and season listed on your permit.

Archery permits

If you obtain a general-season archery deer permit, you may hunt only during the general archery deer season and the extended archery deer season. On July 8, additional youth-only archery deer permits will be available for purchase over the counter at all DWR offices and license agent locations, or online at wildlife.utah.gov.

Reminder: Youth who purchase these additional youth archery deer permits will not lose any preference points they've accrued for general-season buck deer.

Which seasons can I hunt with my youth deer permit?

Archery permit

- Aug. 16–Sept. 12
- Extended archery areas (see page 8, archery only)
- You may hunt only your unit and season dates listed on your permit with archery equipment or the extended archery seasons

Muzzleloader permit

- Sept. 24–Oct. 2
- You may hunt only your unit and season dates listed on your permit with muzzleloader equipment

Early any legal weapon permit

- Aug. 16–Sept. 12 (archery only)
- Sept. 24–Oct. 2 (muzzleloader only)
- Oct. 8–12 (any legal weapon)
- Oct. 18–26 (any legal weapon)
- Extended archery areas (see page 8, archery only)

Late any legal weapon permit

- Aug. 16–Sept. 12 (archery only)
- Sept. 24–Oct. 2 (muzzleloader only)
- Oct. 8–12 (any legal weapon) (**and only if your unit offers this season**)
- Oct. 18–26 (any legal weapon)
- Extended archery areas (see page 8, archery only)

General-season youth elk permits (OTC)

In 2025, there will be an unlimited number of general-season youth elk permits available for youth who will be 17 years of age or younger on July 31, 2025. **Remember:** These permits will be valid during all general seasons on both any bull and spike units. Youth hunters must follow spike-only antler point regulations on spike units.

See the table below for full details about which seasons a youth can hunt with their general-season elk permit. These permits will be available for purchase on July 8 over the counter at all DWR offices and license agent locations, or online at wildlife.utah.gov.

Draw-only youth any bull/hunter's choice elk permits

Youth who want to participate in the draw-only youth any bull/hunter's choice elk hunt must apply for permits in the big game hunt

drawing. If you draw a permit, you may harvest either a bull elk or an antlerless elk from Sept. 13–23, 2025 in any general-season any bull unit (excludes limited-entry bull elk units).

These permits are only valid on general-season any bull elk units and only during the dates listed on the permit. They are not valid on limited-entry elk units or during the general-season youth elk permit dates. See the table below for full details of which season a youth can hunt with this permit.

Youth-only groups

If you will be 17 years of age or younger on July 31, 2025, you can participate in the youth drawing for general-season deer permits or the draw-only youth elk permits. You can submit an application as an individual hunter or as a member of a youth-only group.

When you apply in a youth-only group for the general-season deer hunt or the draw-only youth elk hunt, all hunters must meet the age requirement or the application will not be processed as a youth application.

YOUTH-ONLY ELK PERMITS

GENERAL-SEASON YOUTH ELK PERMIT* (OVER THE COUNTER)

WEAPON	UNIT	SEASON DATES
Archery	Any bull [◇]	Aug. 16–Sept. 17
Archery	Spike only [◇]	Aug. 16–Sept. 5
Early any legal weapon	Any bull	Oct. 4–10

BUCK DEER CWMU HUNT TABLES

For details about individual properties, including public hunt dates and contact information, please visit wildlife.utah.gov/cwmu.

Cooperative Wildlife Management Units

Utah Admin. Rule R657-37

Utah's Cooperative Wildlife Management Unit (CWMU) program provides landowners with an economic incentive to keep their private range and forest lands as productive wildlife habitat.

The landowners receive vouchers for hunting permits, which they can sell for profit, as long as they also allow a percentage of public hunters on their lands.

If you're a Utah resident, there are two ways to obtain a CWMU permit: you can apply for one in the state's big game drawing, or you can obtain a permit voucher from the landowner or operator of the CWMU you want to hunt.

If you're not a resident of Utah, you cannot apply for a CWMU permit in the public drawing. You can, however, obtain a permit voucher directly from the CWMU landowner or operator.

Keep in mind that whether you draw or purchase a permit, you may not obtain more

than one of each of the following permits during the 2025 big game season:

- Buck deer permit
- Bull elk permit
- Buck pronghorn permit

For example, if you draw a general-season buck deer permit—and then decide you want to hunt on a CWMU instead—you must surrender your general-season permit before the opening day of the season listed on your permit and before redeeming the private CWMU voucher for a permit.

Reminder: If you choose to surrender any big game permit you've drawn (to purchase/obtain a private CWMU voucher, for example), be sure to do so **at least 30 days before your hunt begins** or you could lose previously accrued preference or bonus points. For details, see page 30.

For more information on Utah's CWMU program, including details about individual properties, please visit wildlife.utah.gov/cwmu.

CWMU PREMIUM BUCK DEER HUNTS

DEFINITIONS

Utah Code § 23A-1-101 and Utah Admin. Rules R657-5-2, R657-5-47, R657-37 and R657-67

The following definitions explain terms used in this guidebook. The *2025 Utah Big Game Field Regulations Guidebook* (available in June 2025) will contain additional definitions that focus on hunting, harvesting and possessing big game.

Antlerless deer means a deer without antlers or with antlers five inches or shorter.

Antlerless elk means an elk without antlers or with antlers five inches or shorter.

Antlerless moose means a moose with antlers shorter than its ears.

Any legal weapon means any weapon listed at wildlife.utah.gov/R657-5 (see R657-5-8 through R657-5-12) or in the Firearms and Archery Equipment section of the *2025 Utah Big Game Field Regulations Guidebook* (available in June 2025).

Big game means species of hoofed protected wildlife.

Buck deer means a deer with antlers longer than five inches.

Buck pronghorn means a pronghorn with horns longer than five inches.

Bull elk means an elk with antlers longer than five inches.

Bull moose means a moose with antlers longer than its ears.

Cactus buck means a buck deer with velvet covering at least 50 percent of the antlers during the season dates established by the Wildlife Board for a cactus buck deer hunt.

Certificate of registration means a document issued under any rule or proclamation of the Wildlife Board granting authority to engage in activities not covered by a license, permit or tag.

CWMU means Cooperative Wildlife Management Unit.

Domicile means the place:

- where an individual has a fixed permanent home and principal establishment;
- to which the individual if absent, intends to return and has an actual plan, method,

and means to return to the individual's domicile within six months;

- in which the individual and the individual's family voluntarily reside, not for a special or temporary purpose, but with the intention of making a permanent home; and
- is a place where the individual resides for the majority of the individual's time.

To create a new domicile an individual must:

- abandon the old domicile; and
- be able to prove that a new domicile has been established.

Draw lock means a mechanical device used to hold and support the draw weight of a conventional or compound bow at any increment of draw, until released by the archer using a trigger mechanism and safety attached to the device.

Drone means an autonomously controlled, aerial vehicle of any size or configuration that is capable of controlled flight without a human pilot aboard.

Handgun-archery-muzzleloader-shotgun-straight walled rifle-only hunt (HAMSS hunt) means a limited-entry hunt with very specialized weapon requirements. Before you apply for one of these hunts, see R657-5-47 to confirm whether the weapon you plan to use is legal for the hunt.

Hunter's choice means either sex may be taken.

Hunting means to take or pursue a reptile, amphibian, bird or mammal by any means.

Hunting mentor means a resident or nonresident individual possessing a valid permit issued by the Division to take protected wildlife in Utah and who is 21 years of age or older at the time of application for the Hunter Mentoring Program.

Limited-entry hunt means any hunt that is identified as limited-entry and listed in the hunt table of this guidebook, and that does not include general or once-in-a-lifetime hunts.

Limited-entry permit means any permit obtained for a limited-entry hunt by any means, including multiseason premium limited-entry permits, premium limited-entry permits, multiseason limited-entry permits, limited-entry permits, cactus buck permits, management buck permits, handgun-archery-muzzleloader-shotgun-only permits, conservation permits, expo permits, sportsman permits, CWMU permits and limited-entry landowner permits.

Night-vision device means anything that enhances visible and non-visible light and includes the use of night-vision devices, thermal-imaging devices, infrared-imaged devices and other electronic devices that enhance the visible and non-visible light spectrum. Trail cameras are not a night-vision device.

Nonresident means a person who does not qualify as a resident.

Once-in-a-lifetime hunt means any hunt that is identified as once-in-a-lifetime and listed in the hunt table of this guidebook, and that does not include general or limited-entry hunts.

Once-in-a-lifetime permit means any permit obtained for a once-in-a-lifetime hunt by any means, including conservation permits, expo permits, sportsman permits, CWMU permits and limited-entry landowner permits.

Permit means a document, including a stamp, which grants authority to engage in specific activities under the Wildlife Resources Code or a rule or proclamation of the Wildlife Board.

Possession means actual or constructive possession.

Protected data means records classified as protected under the Government Records Access and Management Act, *Utah Code Ann. §63G-2-305*.

Qualifying minor means a Utah resident who is under 18 at the time of application for the Mentor Program and who is otherwise eligible to lawfully hunt.

Ram means a male desert bighorn sheep or Rocky Mountain bighorn sheep older than one year of age.

Resident means a person has been domiciled (fixed permanent home and principal establishment) in Utah for six consecutive months immediately preceding the purchase of a license or application of a license, permit, or tag and **does not** claim residency for hunting, fishing or trapping in any other state or country.

An individual retains Utah residency if he or she leaves Utah to serve in the armed forces of the United States, or for religious or educational purposes, and **does not** claim residency for hunting, fishing or trapping in any other state or country.

Members of the armed forces of the United States and dependents are residents as of the date the member reports for duty under assigned orders in Utah, if:

- The member is **not** on temporary duty in Utah and **does not** claim residency for hunting, fishing or trapping in any other state or country.
- The member presents a copy of his or her assignment orders to a Division office to verify the member's qualification as a resident.

A nonresident attending an institution of higher learning in Utah as a full-time student may qualify as a resident if the student has been present in Utah for 60 consecutive days immediately preceding the purchase of the license or permit and **does not** claim residency for hunting, fishing or trapping in any other state or country.

A Utah resident license or permit is invalid if a resident license for hunting, fishing or trapping is purchased in any other state or country.

An individual **does not** qualify as a resident if he or she is an absentee landowner paying property tax on land in Utah.

Restricted weapons hunt means a limited-entry or general-season hunt with very specialized weapon requirements for archery equipment, muzzleloaders and rifles. Refer to *R657-5-48* for specific requirements.

Shed antlers are antlers that a big game animal has dropped naturally as part of its annual lifecycle.

Shed horns are the sheaths from the horns of a pronghorn that the animal has dropped naturally as part of its annual lifecycle. Pronghorn are the only big game animals that shed their horns.

Sell means to offer or possess for sale, barter, exchange or trade, or the act of selling, bartering, exchanging or trading.

Spike bull means a bull elk which has at least one antler beam with no branching above the ears. Branched means a projection on an antler longer than one inch, measured from its base to its tip.

Tag means a card, label or other identification device is-sued for attachment to the carcass of protected wildlife.

Take means to:

- Hunt, pursue, harass, catch, capture, possess, gather, angle, seine, trap or kill any protected wildlife; or
- Attempt any of the above actions.

Trail camera means a device that is not held or manually operated by a person and is used to capture images, video, or location data of wildlife using heat, or motion to trigger the device.

Wildlife document means a permit to hunt protected wildlife or Division-issued authorization to share such a permit.

We want to hear from you.

1. Check the **DWR wildlife calendar** for upcoming meeting dates and agenda topics.
2. Review proposals on the DWR website or our YouTube channel.
3. Attend a public meeting in your region to share comments or submit feedback online during the public comment period.

The **Utah Wildlife Board** creates wildlife-related rules for the state. The board considers recommendations from **The Division of Wildlife Resources** and the five **Regional Advisory Councils**. Each **RAC** depends on **public feedback** for guidance on agenda items and their recommendations for the board.

*Scan the QR or visit wildlife.utah.gov/getting-involved to learn more about the public process and how you can get involved.

The Utah Wildlife Board meets eight times a year at the Eccles Wildlife Education Center at Farmington Bay.
