Sip • Snack • Create!

The Allendale Woman's Club invites you to an engaging, hands-on evening of charcuterie crafting, taught by the experts at Graze Craze Wyckoff. You'll create your own gorgeous 4"x4" charcuterie box to take home—just in time to show off your skills for Thanksgiving, holiday parties, or tailgates.

The evening includes light bites, baskets, and plenty of time to sip, snack, and socialize. It's BYOB, so bring your favorite beverage and make it a night with friends!
