

Lesson Plan

Subject: Social Studies Unit/Lesson: US States	Grade Level: 3	Date(s) to be taught: April 1
Standard(s): G.1		
Objective(s): TSWBAT use their prior knowledge to label the US states to the best of their ability.		
Materials/Resources: <ul style="list-style-type: none"> - Blank map of the US states - List of the 50 states - Labeled map of the US states 		
TIP/SAP: Teacher will hand out a blank map of the US and a list of the 50 states. Students will do their best to label the states in their respective borders to the best of their ability. After they have finished, the teacher will pass out a labeled map of the US. The students will compare their map to the answer key and see how many they got correct. They will write how many states they got correct at the top of their paper and turn it in.
