# Butterfly Choice Board

Pick at least 3 of the choices below. Color in the activity box once you have completed that activity. Be creative and have fun!

## American Idol

Create a rap or a song about butterflies or a specific kind of butterfly. Make sure to add at least 3 important details.

## Write a Letter

Pretend you are a Monarch butterfly that has just migrated south for the winter. Write a letter to your butterfly parents explaining your experience!

## Movie Star

Create a short video and act out the life cycle of a butterfly. Feel free to use a costume or props!

## Grandparent Day

Pretend you are a grandma or grandpa butterfly explaining the life cycle to their larva grandkid. Write a story about your life and what they can look forward to in theirs!

## Pablo Picasso

Paint or draw a picture of the life cycle of a butterfly. Be as detailed as you can. Include at least 4 stages.

## Presentation

Create a slide show or poster about butterflies. Include life cycle and migration. You may use the computer or create by hand.

## Adventurer

Go outside and try to find different types of butterflies, caterpillars, or chrysalises and take pictures of them. Document your discoveries in a journal.

## Under Cover

Write a paragraph explaining how butterflies and caterpillars use their surroundings to camouflage themselves. Then draw a picture of it using its camouflage.

## Get Crafty

Create a model of a caterpillar and a butterfly using materials you find around your home or outside! Be as detailed as you can.
