# IT'S TIME TO GET DOWN TO THE NITTY GRITTY

## *Some beach, somewhere in Florida...*

SUNDAY!!! The official naming of 2025 Horse of the Year culminates Feb 22<sup>nd</sup> in Ocala, Florida as the United States Harness Writers Association presents the coveted Dan Patch Awards to both horse and human. The suspense is palatable and almost as tasty as the food feasts over the weekend as the Sports elite goes to post. The choices have been made... we can only wait to see if "our" selections hold true.

It will be a Night to Remember!

It might come down to one vote!      Which could be mine!      I could be a tiebreaker!

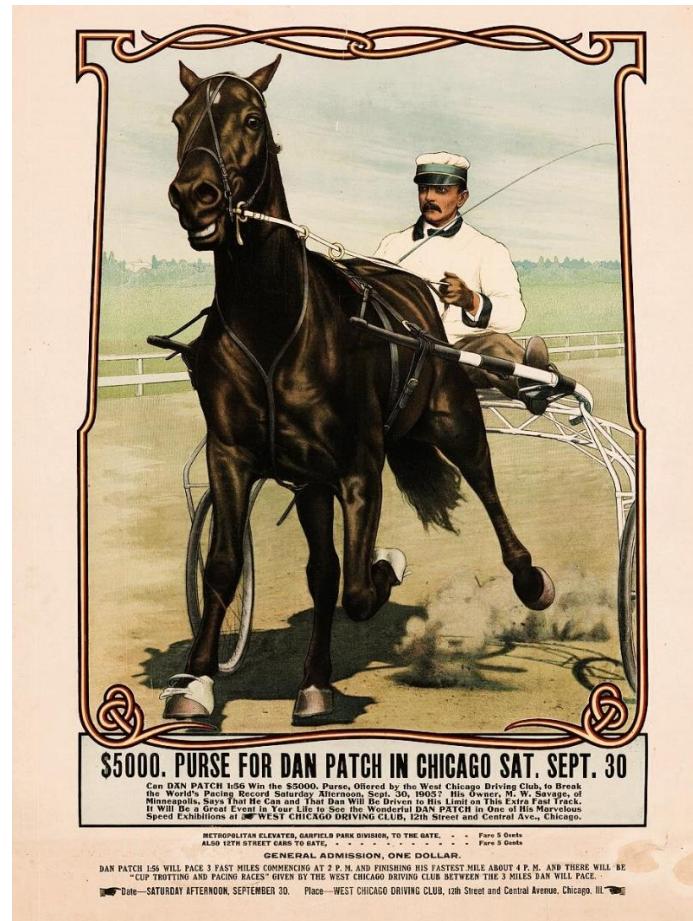

**Dan Patch** (1896-1916) was America's first sports hero remaining undefeated in a race as his record for the mile of 1:55 ¼ stood for 30 years.

His sire, **Joe Patchen** (1889-1917) was a Champion in his own right as he finished 1<sup>st</sup> or 2<sup>nd</sup> in over 90% of his starts and was the record holder on a half-mile track until Dan went in 2:04h. His Kansas stud fee was \$150 (\$6,800 nowadays) & he was known as "The Iron Horse"

Who drove Joe Patchen?
