# THE FRESHMEN WERE FOCUSED AND THE SOPHOMORES SHARP

**PAULDING, OHIO** - The 2025 Fair racing Season got underway at a bit past 3:00 PM after a slight delay due to Mother Nature having to have one last word before she cleared the showers away, A total of 97 horses went to post with another 104 on Tuesday and a good audience of fans - both in person and over the airways - were rewarded with great finishes and times thanks to a fine effort by everyone involved.

Tuesday's card of 19 races saw the post time moved up to 3:00pm to accommodate the large number of contests. Rosy Weaver scored another 4 wins as 26-year-old Drew Neil would add six more to his 2-day total of 8 victories. Ronnie Gillespie steered his pupil a 3yo daughter of Racing Hill **Ella JP** in the meet's fastest mile in 2:00 flat. No one was at the station as **Union Station** took the Signature Series Pace finale without one win ticket on him. He did pay \$150.00 to place.
