OTTAWA, OHIO - Hank Le Van grabbed five more on Wednesday bringing his two-day total to 10 driving victories including a nice mile in 1:59.3h by **Fired Up Henry**.

And when we wanted to see a super fast mile it was all Tyler Tinch in a pinch as his student **Sparky's Desire**, a 3-year-old gelding by Western Terror, scored his first win of the young season in a career best of 1:57.3h (and fastest mile of the Fair) with Jason Beattie in the stirrups.

The Cleggs (Nick, Betty & Kimber) took the Signature Series Pace in 1:58h with **Boozer**, a 5-year-old gelding by Huntsville who eclipsed \$150,000 career earnings with the win.

Although the Season has just begun we are beginning to see some early jockeying for the top of the Leaders Board. And as they say: "It will be veedddd interesting" in 2025.

DELAWARE COUNTY QUALIFIERS JUNE 24th

DELAWARE, OHIO - Chris Beaver, the Radman from Radnor, posted 7 wins of the 13 qualifiers including a mighty impressive trotting filly in **Speedbewithyou** as the two-year-old daughter of Mission Accepted trotted a mile winning by 17 lengths with Trevor Smith aboard in 1:57.2h. Brian Brown trainees took a quartette of the qualifiers including a jaw-dropping, eye-opening, holy moly Batman! performance by **Maserati Mary** (Ronnie Wrenn Jr) when the 2-year-old filly by Well Said took command at the half in 1:01.3 only to draw off by herself by 8 with a last half in :55.1 and a final panel of :26.2. *Cowabunga.*
