**MARION, OHIO** – So what's a little water? Plaudits to the crew over at the Marion County Fairgrounds as, despite a few torrential outbursts of rain, the OFRC was able to get 41 races off. It was full speed ahead as our resilient Ohio-breds marched down the center of the track, literally leaving the competition in their wake, & offered up some very exciting finishes to the fans.

Marion – once part of the “Little Grand Circuit” hosted their 1<sup>st</sup> Fair in 1851 and has been at this location since the 1870s. No gypsies just passing through the night in Marion.

And what a two-day meet Drew Neil had, eh, as he posted 11 driving victories for the Fair including all of Rosy Weaver's 9 training wins but right at their heels was Hank Le Van.

He's over-rated, overtrained, overweight  
& in way over his head... just do your best.
