Instructions

- Any cross outs, whiteout, or alterations void this form.
- Check the appropriate box and complete ALL information. If any field is left blank/incomplete, the form is void.
- When the authorizing agent is an individual, this form is only valid for the vehicle listed herein.
- This form becomes a supporting document for the application for which it is being executed. The original cannot be returned. Incomplete forms will be kept by the division but will not be valid for that application.
- Only the original of this form is valid. Copies of the completed form will not be accepted.
- All Requirements Subject to Change without Notice. The web site, www.ksrevenue.org will have the most up to date forms and requirements.

TR-134 (Rev. 0616)
I, the undersigned vehicle owner, hereby appoint:

(Name)

My true and lawful attorney-in-fact, to apply for a Certificate of Title and/or Registrations upon and/or endorse and transfer title thereto for the following described vehicle:

Year:_______ Make:________________ Style:________________

VIN:________________________________________

And represent in such transfer assignment that aforementioned vehicle title is free and clear of all liens and encumbrances, except: (If none, write “None”)

1st Lienholder:____________________________________

2nd Lienholder:____________________________________

By my signature I swear or affirm that this is a true and correct statement. I am aware that the law provides severe penalties for making false statements under oath.

Hand Printed Owner Name:____________________________________

Owner
Signature:____________________________________

Date:______________

Federal and state law prohibits a person from signing for both buyer and seller and disclosing mileage in the same transaction, with the exception of exempt vehicles, i.e., heavy trucks, vehicles ten model years old or older. In order for a person to sign for both buyer and seller on a conforming title or an odometer disclosure statement, a “Secured Power of Attorney” must be used.
Instructions

Kansas is an electronic title state. An Add Lien or Replacement title is not printed due to the lien listed on the vehicle record. If a lienholder is shown on the registration receipt, there is a lien/loan on the vehicle record. Only vehicles with no lien holder will have a paper title issued.

Replacement: Replaces lost, mutilated or illegible title.

Add Lien: Adds a lien holder to a title (attach title).

Remove Lien: Removes the lien from the title (attach title).

➢ Signatures of the owners must match the names on the face of the current Kansas title record.
➢ To remove an existing lien, a notarized lien release is required.
➢ Record the name and address of the secured party/lienholder, if applicable.
➢ A copy of the security agreement is not necessary.
➢ If a legal document or power of attorney is used, please attach it to the application.
➢ Incomplete information or missing signatures will void this application.
➢ If two or more persons are shown on the face of the title as owners with an “and” between the names, all persons must sign this application.
➢ Vehicles with a GVWR of 26,000 lbs or less cannot use this form to add a second lien. Please use the Refinance Secured Title Application, form TR-720R.
➢ If a replacement title is being requested, attach the current title to this application if the reason selected is mutilated or has become illegible.
➢ You must provide a phone number as this is a required field.
➢ Please include your area code when entering your phone number.
➢ If someone other than the owner of the vehicle presents this form to pick up the title, they will need to supply a signed Power of Attorney document. Otherwise, the title will be sent to the address listed on this form.
