MEET THE INSTRUCTORS:

Alex Carter

Alex has been the swim team coach at GACC for two years, and has been teaching swim lessons at GACC for three years. She also taught swim lessons and coached for 3 years at South Louisiana Swim Team. She received training from professional swim coaches and lesson instructors and has over 1500 hours of experience. During the school year, she is a Biochemistry/Pre-Med Student at Mississippi State University, where she is also a member of Alpha Delta Pi Sorority.

Gabby Carter

Gabby has been coaching at GACC for the past three years, and she has been a coach and lesson instructor for the South Louisiana Swim, Safe Swim, and Green Acres Country Club. As a result, she has over 1600 hours of experience coaching and teaching lessons! She loves working with kids and making swim lessons fun and productive. When she is not coaching, she studies Psychology/Pre-medical at LSU, volunteers as a crisis counselor, and is a part of Pi Beta Phi.

What Can You Expect?

- A skilled swim instructor who is kind, knowledgeable, patient, and productive!
- Each lesson lasts 30 minutes.
- The water is often a new environment for many, so crying is a normal reaction.
- Students will learn in a safe environment & finish classes with life-saving skills.

Our Classes Are for Everyone:

- Anyone 3 and older can enroll in swim lessons, including adults!
- We teach all levels. From beginners to advanced, everyone is welcome.
- Beginner swimmers learn life-saving skills and the basics of swimming. Intermediates learn to swim more efficiently with proper technique. Advanced swimmers learn all four strokes and swim-team skills.

Lessons Offered: Group and Private

- Group Lessons: Each class will contain between 2 and 3 students per instructor. Group lessons allow the student to take a quick break after swimming to regain their energy. In addition, during their break, students continue to learn by watching other swimmers attempt the swimming skills.
- Private Lessons: Private lessons allow the student to have one on one time with the instructor. These lessons give students more time in the water and are great for students who learn better in an individual setting.

Class Structure

- Lessons will be taught Monday through Thursday with Friday reserved as a make-up day in case of bad weather during the week. Therefore, your child will swim for four consecutive days each week.
- For a swim lesson package that includes four lessons, the student will swim for one week. For a swim lesson package that includes eight lessons, the student will swim for two weeks. For a swim lesson package that includes twelve lessons, the student will swim for three weeks. By having the students swim for four consecutive days each week, they will make progress faster!
- *If this class structure does not work for you, accommodations can be made if you contact your swim lesson instructor directly.*

Policies

- **Make-up Policy:** If you are unable to attend a class, you must notify your instructor at least twenty-four hours before the start time of the class; this gives the instructor time to schedule another lesson for that time slot. If you notify the instructor within the twenty-four-hour period before the start time of the class, then you will have to pay a fee of fifteen dollars. After you have notified your instructor, she will send you a list of available times to schedule a make-up class; make-up lessons are scheduled and taught at no extra cost.
- **No-Show Policy:** If you do not show up for a scheduled lesson and do not notify your instructor at all in advance of the start of the lesson, you will be charged in full for that lesson, and you will not be allowed to schedule a make-up lesson.
- **Inclement Weather Policy:** If inclement weather precludes a swim lesson, your instructor let you know at least ten minutes before the start of the lesson that the lesson is canceled. Lessons that are canceled due to inclement weather are rescheduled at no extra cost.
