#### **5) Police Report & Update on local issues**

The police report has been received and is attached under **Appendix A**; MM talked through the report which covers July 2025 and August 2025. MM highlighted that Police Scotland have planned to include the play parks during the uniformed patrols following the recent fires. There were no questions raised.

#### **6) Planning Matters - Planning Report**

The planning report is attached under **Appendix B**. The report covers applications received during July, August and September to date that have been validated and decided by

Aberdeenshire Council. The KDCC have not met since 15<sup>th</sup> July 2025 and MM confirmed that some discussions and votes around the applications took place over the dedicated KDCC WhatsApp chat and email.

- a) **APP/2025/1240 Hillhead Caravan Park** – This is a revised application following the refused application APP/2023/1266 and dismissed appeal APPEAL/2024/0016. Following analysis by the planning sub-group and unanimous agreement from the wider KDCC, an objection was sent dated 9<sup>th</sup> September 2025.
- b) **APP/2025/1248 South of Kintore BESS (ECU00005245)** – This has gone to public consultation. Following analysis by the planning sub-group and unanimous agreement from the wider KDCC, a response highlighting the cumulative impact of this development alongside the others that are already in progress was sent dated 4<sup>th</sup> September 2025.
- c) **APP/2025/0917 Thainstone** – Following analysis by the planning sub-group and unanimous agreement from the wider KDCC, a response highlighting the unsuitability of the location and on-site working hours was sent on 8<sup>th</sup> August 2025. This was sent and signed by the vice-chair as the chair is in a neighbouring property.
- d) **APP/2025/1384 Crichtie** – MM highlighted the oddity in the title for this application. It states Planning Permission In Principle at the start and then Full Permission further through the title. MM requested that Cllr Mason query this with Aberdeenshire Council Planning and advise KDCC as to the validity of this. **Action 2025/09/09 MM/Cllr Mason** There was collective agreement that this application will require extensive analysis. An extension to the deadline has already been requested. The planning sub-group are to work together in consultation with the wider KDCC to formulate a response. **Action 2025/09/10 MM/Planning Sub-Group**
- e) **Save Our Mearns briefing & Convention of Community Councils on 11<sup>th</sup> Oct @ Stonehaven** – JC attended the Save Our Mearns briefing held at Farm to Table, Westerton Farm, Laurencekirk on 06/09/2025. The meeting was well attended with approximately 100 members of the public. There were presentations from the Save Our Mearns Committee and an appeal to the affected communities to raise their concerns with their respective ward councillors and community councillors. There is a related meeting of community councils on 11/10/2025 in Stonehaven which MM and JC intend to attend.
- f) **Community Action Plan Update** – The community action plan survey was open to members of the public until the 8<sup>th</sup> of September 2025 and there were 145 responses. MM thanked the community for participating in the process. The summary is attached under **Appendix C**. The summary highlights the key themes raised with the loss of a GP provision being of particular concern. The detailed data of the responses will be analysed and will be used to formulate the Kintore Community Action Plan.

## 7) Kintore Community Resilience

- a) **Resilience Plan** – JR will be contacting the Resilience Group WhatsApp chat to appeal for a volunteer to take over as resilience co-ordinator from JR. AM is considering becoming the KDCC Resilience contact going forward. The roles will be clarified before the next meeting of KDCC. JR to advise KDCC who will be the new Resilience Co-ordinator. **Action 2025/09/11 JR**  
There was some discussion regarding action **2024/09/04**, the water pump training. Concerns were raised as to whether sufficient rainfall would have occurred before the scheduled training date. This is because a significant volume of water is required for the pumps to work.  
The Aberdeenshire Council Flood Risk & Coast Protection ran a drop-in session at Kintore Bowling Club on 28/08/2025. There was a public exhibition on the Kintore Flood Study and was well-attended by KDCC and the community. Further

information can be found at: <https://www.kintorefloodstudy.info/>

i) **Aberdeenshire & Aberdeen City Community Resilience Conference 2025 – AM,RS,FG** – AM, FG and RS have confirmed that they have signed up for this conference. AM is unable to attend due to work commitments. FG will be attending as a representative of Inverurie First Responders and RS will be attending as a representative of KDCC.

b) **AEDs** – There are no issues with the 8 KDCC AEDs currently. AM commented that the AED situated inside the Kintore Kirk is not registered on the national database. If a defibrillator was needed in the church, the ambulance service would not know that there was an AED close by. They would send the caller to the AED located in the Square, wasting valuable time. AM agreed to go and inspect the Kintore Kirk AED and assist with getting it registered on the national database before 06/10/2025.

**Action 2025/09/12 AM**

#### 8) **Kintore Konnect**

The autumn edition has been distributed and the new look has received a lot of positive feedback. This edition had 44 pages and the adverts were all located towards the back. JR has handed over the Kintore Konnect advertisers/sponsors spreadsheet to RS and they have discussed when each of the advertisers/sponsors are up for renewal. There were two features that were missed in this edition and they will be prioritised for the winter edition. MM is to prepare an article regarding the generous donation from Kintore Seniors Club to the Kintore Floral Display account. **Action 2025/09/13 MM** JC is to interview Irene Davidson and write an article to accompany the photographs of her recent art exhibition. **Action 2025/09/14 JC**

#### 9) **Action Kintore**

a) **The Bothie Update** – The Bothie is the only Scottish centre to be represented at an international youth conference in Valencia. The youth sessions at the Bothie are continuing to be very successful. The group of challenging teenagers are making progress. The previous suggestion of a poly tunnel managed by Kintore Men's Shed and located at the Bothie was unexpected but not unwelcome. The most appropriate location is thought to be away from neighbours on the other side of the path, on the stretch of grass with the slope. The Bothie had also been contacted separately by Aberdeenshire Council regarding a possible Men's Shed for Kintore.

b) **Town House Project** - KM advised that the chair of Action Kintore and other trustees are stepping back from their roles for health reasons. The need to recruit more trustees for Action Kintore has become even more critical than before. It was noted that the planning applications for the Town House APP/2025/0616 and APP/2025/0615 have been approved.

#### 10) **Community Projects for Kintore**

a) **It's Your Neighbourhood 2025 & 2026** – JR has handed Its Your Neighbourhood over to AC. There are a few small jobs to be completed in the coming weeks. The plans for 2026 are still being formulated. It is hoped the Community Action Plan will provide some direction once the process has been completed. A site visit took place to Airlie House to discuss what the residents had in mind for next year. MM, AC and RS met with representatives from Airlie House.

Concerns were raised with the inclines of some of the ground surrounding the building and the associated health and safety requirements this would bring for the older residents, such as handrails and gently sloping paths. The suggestion of a community focused covered gazebo seating area was positively received and this will be considered further. The scope of the major works appears to be outwith Its Your Neighbourhood. MM is to contact Aberdeenshire Council to discuss the situation

further. **Action 2025/09/15 MM** AC and RS are to consider what would be achievable at Airlie House and report back at the next KDCC meeting. **Action 2025/09/16 AC/RS**

JR advised the attendees of more It's Your Neighbourhood 2025 outstanding tasks that require attention before the end of the year.

- A second fire retardant plastic sitting bench needs to be purchased before the end of the financial year as it has been scoped in the Aberdeenshire Council grant which will cover 50% of the cost. JR has the supplier details, all that needs to be decided is the size of the bench. Cold tar is suggested as the base material as the current tarred surface is very bumpy with tree roots.
- JR mentioned the refurbishment of the seating bench located at the end of Cemetery Road is outstanding. The bench will require pressure washing as a starting point.
- The fountain located in the square requires further repair with the stones around the base missing in places and as the water has not been connected for an extended period of time, a legionella test is required. It has been agreed to wait until the spring for the water issue to be addressed.
- The spotlights around the Town House need to be connected to the power. Holes for the cables are needed through the very thick walls of the Town House. A diamond tipped drill head that is about 2 metres in length is needed.

MM asked if the Town House clock is working. AM is to contact Drew Cullinane to offer to go up, wind the clock and correct the time if needed. **Action 2025/09/17 AM**

- b) **Fireworks Progress Report** – Further to actions **2025/09/03**, **2025/09/04** and **2025/09/08**, EL presented the fireworks costings, two reusable banners and the provisional plan for the fireworks taking place on Sunday 2<sup>nd</sup> November 2025 at the Kintore Public Park. The fireworks costings and provisional plan are attached under **Appendix D**. The two reusable banners would cost £126. The KDCC unanimously approved all of the costings. EL and MM to proceed with purchasing the items required as agreed. **Action 2025/09/18 EL/MM**

There was a discussion regarding the timings of this year's event. The 3-year licence currently states the event will run from 6pm to 8pm. There was a suggestion to bring the start time forward with the food vendors and one of the stalls open to sell toys. Following extensive discussion, the KDCC unanimously agreed to bring the start time forward by an hour. MM is to request the timings stated on the license are amended to 5pm to 8pm. This is covered by action **2025/05/09**.

MM is to contact Ruby from Chalmers Mackay to request KDCC borrows some urns from Hatton of Fintray hall for this event and invite her to the next KDCC or Fireworks meeting to clarify the finer details. **Action 2025/09/19 MM**

EL is to send MM a copy of the hygiene certificate for GM Whyte for the licence. **Action 2025/09/20 EL**

- c) **CLAN BookBench** – The amount required to keep the BookBench has been pledged and there is an excess amount. The intention is to donate this additional amount to CLAN. JR advised RS that £7,000 needs to be paid by 07/10/2025 to CLAN in order to secure the BookBench. After this date, the BookBench will go to the CLAN auction. RS to instruct the payment of £7,000 to CLAN before 07/10/2025 and pay any excess amount as a donation that has the maximum benefit for the charity, such as gift-aid. **Action 2025/09/21 RS**

JR is to co-ordinate a photograph with the complete set of sponsors and the BookBench once the plinth plastic stickers has been updated with the appropriate company logos. **Action 2025/09/22 JR**

It was proposed that the complete story of the Kintore BookBench could be added to [www.kintore.org.uk](http://www.kintore.org.uk) and as a new stop on the Explore Kintore Interactive History

Tour.

d) **Allotments/Men Shed/Cycling Without Age**

- i) **Allotments** - JR is to appeal on the Allotments WhatsApp chat for a volunteer to take over as the co-ordinator of the group as he is stepping back. There is a possible site that is being explored currently with the landowner. JR to advise KDCC who will be the new allotments co-ordinator. **Action 2025/09/23 JR**
- ii) **Men Shed** -AC advised the attendees that there is a visit to Alford's Men Shed arranged to tour their facilities and chat to the members. AC and RS are representing KDCC with a minibus full of interested Kintore residents. It is hoped that some of these residents will form a committee to move the Kintore Men Shed forward. It has been identified that alternative non-tech methods of contacting potential members will be needed, as a significant proportion are not on Facebook or WhatsApp.
- iii) **Cycling Without Age** – no update.

**11) Kemnay Academy Parent Council Update**

JC attended the Kemnay Academy Parent Council meeting held on Tuesday 9<sup>th</sup> September 2025. There were 10 new S1 parents that came along which was very positive. All of them were enthusiastic and brought new fund-raising ideas. The recent mobile phone policy change has proved to be very popular with teachers, less so with the pupils. Although, there has only been 27 incidents of mobile phones being removed from pupils since the inception of the policy. Parents will be receiving an uniform consultation soon as this is the next item to be looked at by the fairly new headteacher. The pupils will be asked for their preferences and once a new uniform policy has been agreed and implemented, it will be enforced.

**12) Aberdeenshire Councillors' Update**

- Cllr Mason advised that a fire report on BESS's is expected at the next Garioch Area Committee. The Cllrs are in agreement to wait to have this report presented prior to proceeding with reviewing the various BESS applications that are pending.
- Cllr Mason reminded the attendees that Monday 22<sup>nd</sup> September 2025 is when the new 20mph speed limit goes live in Aberdeenshire.
- Cllr Mason commented that Police Scotland officers will have their body cams switched on at all times whilst on duty.
- Cllr Mason highlighted the new E7 bus service by Ember. JC advised that this has been shared with the community on the Kintore Facebook page on 10/09/2025.
- Cllr Mason reported that Newmachar have been granted permission for two new football pitches today. This was noted by the attendees as it may help with the current shortage of usable pitches in Kintore.
- MM advised the attendees that the recent Community Council Forum held on Wednesday 3<sup>rd</sup> September 2025 was very well attended by both community councillors and ward councillors. There was one issue that had united them and that was the removal of the grit bins. This relates to action **2025/07/08**.

**13) Funding – Community Benefits Fund & Just Transition Fund**

There is no further update outwith action **2025/07/13**.

**14) Correspondence**

- e) **AHSCP Draft Strategic Plan 2025-2035 Consultation open 8<sup>th</sup> Sep to 26 Oct** – MM highlighted this consultation to the attendees.
- f) **Pollinator Conference in Glasgow** – This free conference was highlighted to the attendees. AC intends to view this online on a reasonable endeavours basis.

## 15) Treasurer's Report

JR has handed over the Treasurer's report to RS, who has assumed the role of KDCC Treasurer. RS presented the Treasurer's report, this is attached under **Appendix E**.

- a) **KDCC Account - £18,990.34** as at 14<sup>th</sup> September 2025
- b) **Floral Display Account - £2,489.37** as at 14<sup>th</sup> September 2025

## 16) AOCB

- a) **Kintore Welcome Booklet** - Marbeth and Graham Ritchie attended the meeting as representatives from Kintore Kirk/Kintore - Bennachie Parish Church. Historically, Kintore Kirk produced a welcome booklet with community information and distributed them to the new-build estates within Kintore. This was funded by Aberdeenshire Council.

Given that there is a new housing estate under construction, it has been proposed that an offline and online signposting resource with community information is produced again. Kintore Kirk and Kintore Community Church have already agreed to work together on this and would like KDCC to join with them in this endeavour. It was thought that the funding of this resource will need to be outwith Aberdeenshire Council.

Utilising Kintore Konnect for the offline signposting resource was suggested. An impressive list of public services, sport clubs, groups and associations has already been compiled and will be emailed to MM. A suggestion was made for a QR code that links back to a page on the [www.kintore.org.uk](http://www.kintore.org.uk) website where the information can be edited and updated as required. It was noted that this would require a resource to regularly manage and update the information. It was agreed that to service the community effectively, both online and offline solutions will be needed. It was unanimously agreed to adopt this proposal under KDCC and work with Kintore Kirk and Kintore Community Church.

Firstly, it was agreed to utilise the widely used Facebook page which has over 5,000 followers. Kintore Kirk and Kintore Community Church are to send MM information that can be posted with the KDCC explaining the initiative, displaying the information that has already been compiled and welcoming additional information. MM will create a post on the Facebook page once this information has been received.

**Action 2025/09/26 MM.**

Secondly, a dedicated page on the [www.kintore.org.uk](http://www.kintore.org.uk) website will be set up. AC has agreed to set up the dedicated page and create a QR code. **Action 2025/09/27**

**AC**

Thirdly, a four-centre page pull-out with welcome letters on the front from KDCC, Kintore Kirk and Kintore Community Church, centre pages detailing the community information and the back page for sponsors will be included in the winter edition of

Kintore Konnect. A suggestion to include the annual events that take place in Kintore was also welcomed by the attendees. MM is to work with the Kintore Konnect graphic designers once the information has been received to achieve this objective with a deadline of 31/10/2025. **Action 2025/09/28 MM.**

- b) JR highlighted the importance of maintaining and growing a positive relationship with the Floral Display Co-ordinator Sue Parrott going forward. RS, AC and LM have already started to establish good working relationships and this will be actively built on over the coming months.
- c) MM advised the attendees that a request has been received from a member of the community. Neale Sorrie, on behalf of his family, have asked for KDCC to consider honouring his late grandfather, James Robb, at Kintore Public Hall. James Robb used to run discos and bingos at the hall over many years. This request was discussed and it was unanimously agreed to approach the Public Hall Committee with this request. MM is to approach the Kintore Public Hall Committee with the request to honour James Robb with a plaque or similar. **Action 2025/09/29 MM**

**17) The Date of the next monthly meeting is Tuesday 21<sup>st</sup> October 2025**

## Appendix C – Community Action Plan Survey Summary

### Kintore Community Action Plan 2025

Light Summary of Community Feedback

---

#### Introduction

This document provides an overview of key themes identified through the Kintore community survey (August/September 2025). Findings are structured according to the Shaping Places for Wellbeing framework, aligning with Aberdeenshire Council's Place Plan methodology. Updates reflect the full set of community responses.

#### 1. Stewardship

*Care, influence, and shared responsibility for the place*

- A strong pride in **community spirit, friendliness and safety** was repeatedly noted.
- Residents want to protect Kintore's identity as a **village/close-knit community**, resisting uncontrolled growth and housing sprawl.
- Concerns that housebuilding is outpacing supporting infrastructure and facilities.
- Environmental care is valued: floral displays, litter management, and maintenance of paths and green areas were highlighted.

#### 2. Movement

*Options for active travel, inclusive transport, and safer streets*

- **Transport challenges:** bus services seen as infrequent and inadequate, especially to Aberdeen and Inverurie.
- Calls for better **parking** management (e.g. Hallforest Avenue) and safer pedestrian crossings.
- **Active travel:** strong demand for more walking and cycle paths, including riverside walks and connections to the golf club.

#### 3. Civic

*Identity, belonging, safety, and opportunities for participation*

- A dominant theme: **loss of local GP provision**. Many want the medical centre reopened and expanded.
-

## Kintore Community Action Plan 2025

### Light Summary of Community Feedback

---

- Concerns about the **library service being reduced**; residents see it as central to community wellbeing.
- Calls for **expanded educational capacity** (secondary school provision, overcrowding at Kemnay noted)
- Requests for better **youth provision** (skate/bike parks, upgraded playparks, hangout spaces)

#### 4. Spaces

*Quality, accessible, inclusive green and public spaces*

- **Town House, Town Hall, pavilion and churches** identified as underused assets that could support more activities.
- Parks and play areas need **upgrading and diversification** - current facilities seen as inadequate compared to nearby towns.
- Desire to retain and improve **green spaces**, avoiding further loss to development.

#### 5. Resources

*Local access to essential services and facilities*

- Strong desire for more **shops, cafés, restaurants, and a petrol station**; currently limited retail options.
- Support for a **local market or Sunday trading opportunities** to encourage community commerce.
- Balancing growth with adequate **healthcare, sports and leisure** provision is seen as critical.

#### 6. Participation & Capacity

- Kintore is recognised as having **active volunteers and strong groups** (e.g. Community Council, "It's Your Neighbourhood").
  - Residents want opportunities to **co-create events and facilities** (street parties, festivals, fireworks are valued traditions).
  - Concerns about maintaining **capacity as the town grows** - ensuring new residents are engaged and long-term volunteers are supported.
-

## Kintore Community Action Plan 2025

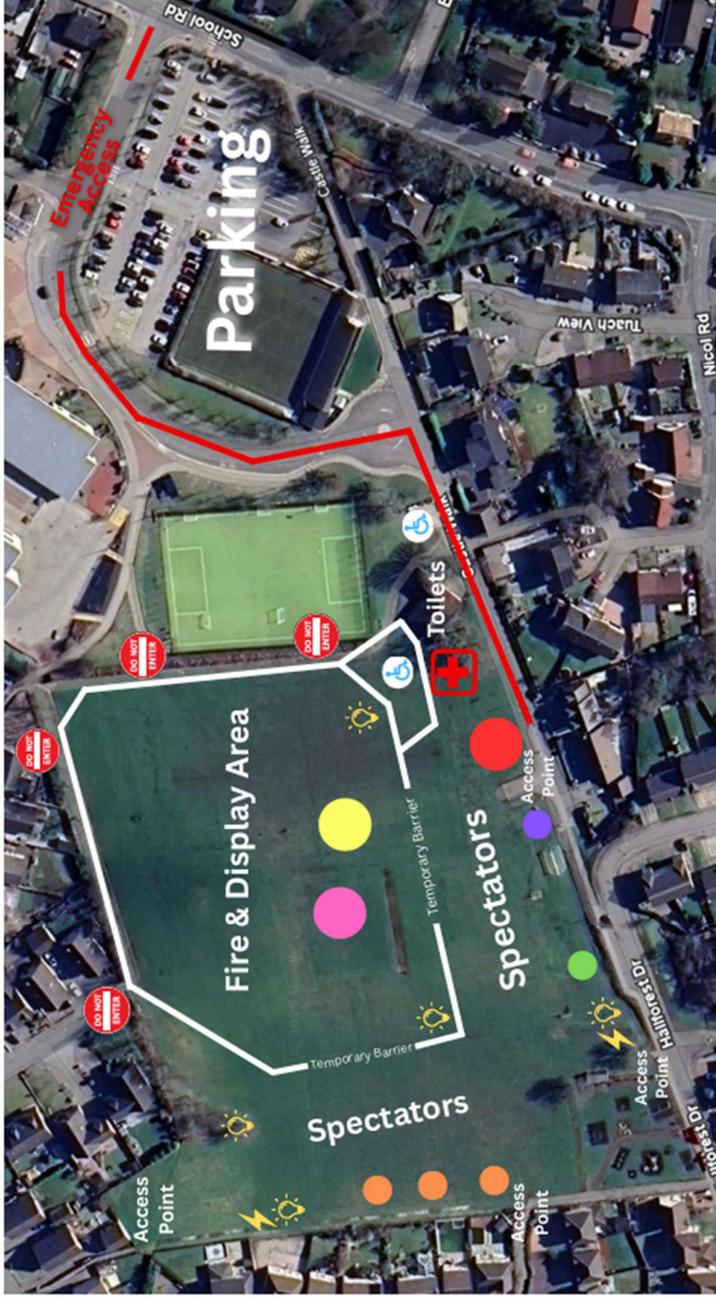

Light Summary of Community Feedback

---

### Conclusion

The survey paints Kintore as a place people love for its friendliness and community spirit, but with real concern about **growth outstripping facilities**, especially in healthcare, schools, play provision and transport. There is appetite for **improving everyday infrastructure** (paths, shops, meeting spaces) and for **retaining a strong sense of identity and volunteer-led community action**.
