

these are the next parts to Dr.Kill's espionage, the picture contains an actual print of the espionage working,enjoy the art!

the first tone is program lessons and instructions on how to operate the 3rd and 4th phases of the espionage. the second line is to activate a line to security agency,to recieve the newest information and equipment.

these next program parts will allow you to increase your personal effectiveness and along the agenda explained. security office will send info for miscellaneous items,and events that are relevant to the program.

Enjoy and
Good luck!
