- All performers should be completely checked in, getting situated in their dressing rooms, & getting into their first costume

- All dancers will be requested to follow our “Costume Catcher” system, utilizing a garment bag & laundry basket/bin/bucket.
 - Please pack your dancer’s costumes & accessories in a garment bag so that when they change for each routine, they can discard their previous costume items into their basket/bin/bucket to be re-organized later.
 - We have found this helps minimize losing items because everything goes in one place per dancer to be sorted later, and also alleviates the rush/stress of trying to dig through a pile of everything when changing costumes.
- **ABSOLUTELY NO FOOD ALLOWED IN DRESSING ROOMS** (please eat beforehand and bring water only)
- PLEASE make sure hair and makeup is done BEFORE CALL TIME

★ 6:00 pm - REHEARSAL BEGINS

- No Guardians are allowed in the theater auditorium during rehearsal. Please feel welcome to wait in the Centre Cafe, if you don’t feel comfortable leaving your child.
- All performers need to be in their assigned dressing room and ready for directions
- We will run our curtain call first, then dismiss all performers back to their dressing rooms
- Run through the entire Show B from the top, in order
- We may stop for corrections/questions, and some routines may be run twice
