BINGO Cards

Cut out the cards below and shuffle them. Read the sight word to your child or students to see if they can find the word by reading it. Get four in a row to win!

have	your	go	we	want
she	have	says	no	goes
no	so	want	your	says
want	we	have	goes	your
says	she	so	go	so

Bingo Squares

Cut out the squares to cover the words. Magnetic chips, unifix cubes, and counters work great too.
