BINGO Cards

Cut out the cards below and shuffle them. Read the sight word to your child or students to see if they can find the word by reading it. Get four in a row to win!

they	their	talk	should	were
would	they	would	talk	could
talk	walk	were	their	says
their	should	or	could	for
for	or	were	they	walk

Bingo Squares

Cut out the squares to cover the words. Magnetic chips, unifix cubes, and counters work great too.
