

NYE in the Motherland

27th December – Arrival in Johannesburg | Welcome to the Motherland

Touch down in Johannesburg and meet your Motherland team for a warm welcome. You'll be transferred to Radisson Blu Sandton, your home for the next three nights on bed and breakfast. The rest of the day is yours to freshen up, shake off jet lag, and start soaking in that Jozi energy. Maybe a cocktail, maybe a stroll, definitely vibes.

28th December – Johannesburg City, Constitution Hill & Soweto Experience

Today is about understanding the soul of South Africa. Begin with a Johannesburg city tour, getting a sense of how gold, grit, and ambition shaped this powerhouse city. Then head to Constitution Hill, a former prison complex turned museum that tells powerful stories of struggle, resilience, and democracy. After that, it's off to Soweto — one of the most famous townships in the world. You'll visit Nelson Mandela's former home, walk streets rich with history, and feel the heartbeat of a community that changed a nation.

29th December – Pilanesberg Safari Day Trip

Early start, big reward. You head out to Pilanesberg National Park for a proper African safari experience. Expect wide open landscapes, dramatic scenery, and excellent chances of spotting the Big Five. This is classic game viewing — lions, elephants, rhinos, buffalo, and leopards, plus plenty of plains game. A full day in the bush, then back to Sandton in the evening, tired but happy.

30th December – Fly to Cape Town & Robben Island

This morning you fly to Cape Town (flight included), trading city skylines for ocean horizons. After arrival and hotel transfer, you head out for the iconic Robben Island experience. This guided tour takes you through the prison where Nelson Mandela was incarcerated, offering deep insight into South Africa's journey to freedom. Thought-provoking, moving, and unforgettable.
