All teams will register in their true age group, and club directors of coaching will meet before the season to decide bracket placements.

Age Divisions - The MSSF league will consist of U8, U9 and U10 boys and girls (7 v 7), U11 boys and U11 girls (9 vs. 9), U12 boys and U12 girls (9 vs. 9), U12 boys and U12 girls (11 v 11), U13 boys and U13 girls (11 v 11), U14 boys and U14 girls, and High School (U15 to U19 Boys) . E. Rescheduled Matches. **No game may be cancelled unless the Mike Rose Soccer Complex fields are closed or the cancellation has been approved by the MSSF President.**

All rainout matches will be reschedule using the following process. Following a rain out, the Mike Rose Soccer Complex will contact the league scheduler. **Rainout matches may be rescheduled if fields are available or rescheduled for the last three weeks of the season.**

Assuming the reschedule does not conflict with any requests on the original registration application, the team must play the rescheduled match.

When a game is rescheduled an automatically generated email is sent to the contact listed on the team page within the MSSF website. *If the team page is not set up properly, the team will receive no notification.* The rescheduled matches will also be posted on the MRSC website. Team managers are responsible for checking the MRSC website for rescheduled matches.

During the last three weeks of the season, matches requiring rescheduling will be done based on field availability and may not be consistent with team preferences as noted on their Registration Form. Cancellation of rescheduled matches may affect performance bonds.

D. Team Duties:

1. Each team will provide game balls to the Referee for each match.

Parents will be located on the opposite side of the field from the team benches. For small sided matches, the team benches and spectator area will be located on the same side of the field as designated by the Mike Rose Soccer Complex. This location of the small sided team benches is necessary to reduce wear on the centers of those realigned to accommodate small sided matches. This rule applies to all levels of MSSF competition. All spectators should sit on or near the bleachers. No spectator is allowed behind the team bench area or goal area.
4. Prior to each match the coach, assistant coach or team manager MUST give to the referee:
 - a. An official “MSSF Match Report” with information completed must be provided to the Referee prior to the match. The Referee will complete the other items on the Match Report

If only one Referee works the match, each team will pay one-half of the Referee fee. "Club assistant referees" are not to be paid. Licensed referees not in proper attire are considered to be "club assistant referees". If the match is cancelled due to weather conditions after the match commences and prior to the start of the second half, the referees are to receive one-half of the match fees. If the match is cancelled due to weather conditions in the second half of play, the referees are to receive full match fees.
 - d. Special conditions: In those cases where teams may play outside of their respective two-year age divisions (HSA and HSB) and in the U15 to U19 Boys Division, ***the match will be played at the duration of the oldest team playing and the referee pay will also be at the oldest team playing.*** For example, in these divisions, if a U15 team plays a U17 team, the match will be played in two 45 minute halves and the referee pay will be at the U17-U19 level. However, in the same division, if a U15 team plays a U16 team, the match will be played in two 40 minute halves and the referee pay will be at the U15-U16 level. If in dissimilar age matches, the coaches, by mutual consent, agree to play a shorter length match, the referees are still to be paid in accordance with the highest level age team.
5. All players' must wear shin guards at all practices, warm ups and games with socks pulled up over the shin guards.
 6. Each player's uniform shall be the same as the other teammates with numbers affixed on the back in a contrasting color. All players are to have their shirts tucked in and any clothing showing beneath their shorts must be of the same color as the short. A match may not start with only the Team Manager in the bench area.
 9. Coaching Directors for each club will be allowed in the team bench area for any team in their respective clubs. Coaching Directors will be subject to the Laws of the Game.
