

McIntosh Volleyball Booster Meeting Minutes

March 16, 2026

Attendees: Kurt Lewis, Holley Hayes, Brittany Ottolini, Gayle Simpson, Steven Tanton, Kristy Reese, Kelley DeMuth, Deanna Seymour

Summary of Document

The meeting covered financial updates, upcoming season logistics, and volunteer planning. Key decisions included:

- **Financials:** Multiple checks were written to cover the yearbook page, rally tournaments, volleyball patches, coach training. We still owe \$1000 for weight room contribution (no way around this), and \$3000 (final payment) towards the nets will be due by the end of next year. Kurt has asked for the invoice for Summer camp. We will need to make a \$600 deposit and settle the remainder once we know how many will be attending.
- **Dues & Staffing:** Booster dues were increased for the upcoming season (Varsity to \$650, JV to \$550) to cover the cost of hiring paid staff for the scorebook and the second table position, addressing previous volunteer struggles. The possibility of training all parents to libero track and requiring all families to do this once throughout the season was also discussed. Managers will be used when possible.
- **Camps & Tournaments:** Rally tournaments and the Kids Camp are confirmed. The deposit invoice for the Volleyball Camp is still pending.
- **Uniforms & Equipment:** The final uniform order is pending a promised half-off negotiation. Holley is working with Jason. Balls & jerseys will be ordered this week, and the \$3,000 balance for the nets is due by the end of next school year. We will no longer be using BSN for ordering. We will be using Bakers.
- **Concessions & Food:** The budget for player/coach food was increased (Varsity to \$400, JV to \$300). Hastee's mom volunteered to manage this. For concessions, we will need a coordinator but the plan is to outsource general game-day operations to beta club students, etc. Holley can manage getting the student volunteers. We will manage the three major tournament/event days to maximize profit by providing more concession offerings (meal deal, etc). Would like to move to no cash for concessions. We have 2 swipers that will be available. We are also considering having each player donate specific concession items or make a \$20 donation to stocking the concessions.
- **Photography:** The team decided to keep the current photographer, MC Digital, but will work on negotiating the price down.
- **Meetings:** The parent/player meeting is scheduled for Friday, May 8th. This will immediately follow tryouts earlier in the week. The next booster meeting will be a virtual one on Monday, April 20th, 6:00 PM.
