Dear John and Knights Members,

You are amazing!

I just received your gift of \$500.00 to help an expecting mom get an ultrasound!

Thank you for meeting this great need and giving generously to help more moms who are walking through our doors.

Your gift is helping pregnant moms make the bravest decision to choose life for her baby. When they see their baby for the first time and hear their heartbeat, it's one of the most life-changing things a mom could experience.

As we approach Easter, I can't help but be reminded of the new life and hope that our Savior brings. As more moms choose life and babies are born, I praise God for the new life in this season. I can't thank you enough for your compassionate gift to help a mom and her baby. You are incredible!

God Bless,

God Bless,
