

The ladder is open to all Nova players. It starts 9 January and ends 27 February.

When you arrive each week, your name will be added to the draw. At 8.00 (8.30 when club night is at Oakengates) matches will be drawn by a committee member/ Dave Wilcox and then players manage their own games. Those games are only played that night and don't carry over.

At the end of the 8 weeks, the players best 6 games are scored

### **Scoring**

**3 points for a win**

**2 points if you lost but scored 10 or over**

**1 point if you lost and scored less than 10**

The players are then ranked according to their score.

The ladder positions will then be available on club night and on the website.

### **Quarter Finals**

To be held on 13 March

Matches determined by league position. If someone does not turn up, the highest ranking player position 17 onwards will replace them. Note, you stay with your partner to finals night. Again, in the case of non-attendance, a reserve will take your place.

Note: matches are now to 21 and 2 clear points

Player 1	Player 2	Player 3	Player 4
Player 16	Player 15	Player 14	Player 13
v	v	v	v
Player 8	Player 7	Player 6	Player 5
Player 9	Player 10	Player 11	Player 12

### **Semi Final and Final Night**

These will be held on 20 March

Matches will be drawn and played on that night at 8 (or 8.30 if club night is at Oakengates).

If a player doesn't show up a substitute will be used. This will be the highest ranked league player from those who didn't play in the knockout stages.

Semi Final - 1 game only

Final - best of 3 games
