Welcome to Company C Academy of Dance! We are so excited to be given the opportunity to have satellite classes for you at your facility. Our classes consist of ballet & tap for ages 2 and up for boys and girls. We offer a non-competitive class where children can learn and practice movement skills to aid in balance, coordination and rhythm in a fun, relaxed atmosphere. Our instructors create a great foundation for children interested in continuing with dance or other activities such as gymnastics, cheerleading or sports. We strive to make sure our students not only increase confidence, learn dance technique and terminology but always have a fun and enjoyable experience.

Please take a chance to check out our website to learn more about Company C and the exciting things we offer. Feel free at any time to stop by the studio for a tour or to contact us with any questions you may have. Below you will find detailed information on our program.
