- Reminder that ALL children are to be walked the entire way to their classroom each day. Please do not leave your children unattended to make their way to class.
- You are required to sign a "Field Trip Permission Form" each time your child is to participate in field trips. Parents are not permitted to go on field trips with their children. This causes disruption and anxiety among the other children. If you choose not to send your child on any of the field trips, you will be required to provide your own alternative care.
- Fitted crib/toddler sheet and blanket are required by state for barrier between child and mat/cot. Please bring sheet and blanket at the beginning of the week and take home at the end of the week to be laundered. **(SDC ONLY: 1 SMALL pillow is allowed.)**
- Toys, Electronics (including Cell Phones), Money, and Jewelry should not be brought from home. Exceptions are books and one item for Show and Tell day (SDC & K4 will have their show and tell day on Fridays). All items MUST be labeled with first & last names. **Puddle Jumpers CEC is not responsible for lost, damaged, or broken items.**
- Hats and an **empty** water bottle are permitted for outdoor field trips only. They **MUST** be labeled with first & last name on all items.
- Meals are included in the price of tuition. For safety reasons (i.e., severe allergies) and behavior reasons, it is better if all children are served the same food. No other food is allowed in the Center. In the case of any allergies or religious beliefs that you and your child may have we will make every effort to accommodate your child. If you miss your child's scheduled mealtimes, we kindly request that you provide a meal for your child and please have him/her finish it prior to coming into the classroom.
- Socks and sneakers are required daily, no slippers, sandals or crocs allowed. Mesh water shoes that are enclosed may be worn to Town Creek Inclusive Playground & Mr. Benny's Foam party **(Example of requested water shoes pictured below)**.
- For ease of application and proven effectiveness (via Mrs. Lydia), please consider sending in roll-on sunscreen **(example pictured below)**.
