

# JULY 2024 NEWSLETTER

"You won't know how refreshing a puddle can be unless you take a moment to jump in and see"

Dear Parents:

How is it possible that we are already talking about Back-to-School? It seems like Summer just started. It is time to secure your child's spot for the 2024-2025 school year. PLEASE, do not assume that we know what your plans are. If you need to withdraw your child from our program, a two-week written notice is required in advance.

All Pre-K and After School children who plan to remain here for the school year MUST put down a deposit, equal to one week's tuition, to reserve your spot. This deposit will be applied to your tuition for the first week of school and has to be made no later than, Friday, July 12th.

We are already having inquiries from outside of the center. Any spots remaining after July 12th will be available on a first come, first served basis regardless of current enrollment. These spots ALWAYS fill up fast and we, regrettably, have to turn people away every year.

We look forward to another great school year! Enjoy the rest of your summer!
