## Reminders

**Drop off/ Hand over:**

Parents/Guardians are **required** to physically walk students to the classroom and complete a hand over with the teacher.

When a parent drops off their child at childcare, they are "handing over" the child's care to the childcare staff. Effective parent-teacher communication during drop-off and pick-up times in childcare settings fosters trust and strengthens partnerships between parents and educators. It involves brief, yet meaningful interactions, sharing information about their child's well-being, routines, or any recent occurrences that may impact the child's day at childcare.

**K1 - School Age Rest/Naptime:**

Children are required by state to have a fitted crib/toddler sheet and blanket to be barrier between child and mat/cot. Please bring sheet and blanket at the beginning of the week and take home at the end of the week to be laundered.

**Extra Clothing Needed:**

Accidents happen, be it potty, food or messy play. So please make sure to bring changes of clothes, including the SDC class.

**Summer Time Shoes:**

Socks and sneakers are required daily, no slippers, sandals or crocs allowed.

## K4 & SDC Parents/Guardians

You are required to sign a "Field Trip Permission Form" each time your child is to participate in field trips. Parents are not permitted to go on field trips with their children. This causes disruption and anxiety among the other children. If you choose not to send your child on any of the field trips, you will be required to provide your own alternative care.
