VIZOOVET FOR KCS

Use Vizoovet for

Immediate lubrication, comfort, ocular surface protection, pain relief and recovery of the eye's normal osmolarity.

Vizoovet is an all-natural eye drop used to treat symptoms of ocular surface diseases. This revolutionary product contains three key ingredients to soothe and protect the ocular surface.

Vizoovet Composition:

- Propolis¹⁻¹¹
 - Specific Type of Bee's Wax
 - Rich in polyphenols & other components
 - Research verified properties:
 - Antimicrobial
 - Anti-inflammatory
 - Anti-angiogenic
 - Analgesic
 - Improves wound healing
- Aloe Vera¹²⁻¹⁴
 - Contains aloins & emodins
 - Research verified properties:
 - Improves wound healing
 - Antimicrobial

- Chamomile¹⁵⁻¹⁶
 - Contains alfa-bisabolos & azulins
 - Research verified properties:
 - Spasmolytic
 - Antiseptic
 - Antioxidant
 - Improves wound healing

Types of ocular surface disorders that can benefit from Vizoovet:

- Keratoconjunctivitis sicca
- Qualitative tear film disease
- Allergic blepharitis & blepharoconjunctivitis
- Feline keratoconjunctivitis
