

# Providing Businesses with Bulk Satellite Programming

## Who We Are

For over 30 years, our company has worked to offer bulk satellite TV products, installation, and satellite services to our clients of various industries from Military Lodging, Hotel/Motel, RV Parks, Correctional Institutions, Assisted Living, and other lodging facilities.

## Why Us

Service is our main priority and urgency is important to our clients especially in the Correctional Institution and Lodging business.

Communications is a very important aspect of our business and we are always available to our clients. We answer the phone with a real person and rarely utilize voice mail. Any unanswered call will be returned in minutes not hours or days.
