

# COVID-19

**So, what is it? Well, I'm here to help you learn all about it.  
The coronavirus is a virus. A virus is a germ that you can't see. If these germs  
get inside your body, they start a big germ party.  
That is when you get sick with an illness called COVID-19.**

To enter the coloring contest, tag me on Instagram, Facebook, or Twitter. The contest ends on April 30, 2022 @ 11:59pm.
