

JBGmg Property Management Services

Dear Licensed Contractor, Handyman Service Provider.
Are you tired of paying for expensive leads to find qualified jobs?

At this time **JBGmg** is adding new service providers to our property management network which started in 1998 at griffins Real Estate Resource Directory and in 2012 as Griff's A-Z referrals . List your business for Replacement Windows Wood and Vinyl, Entry and Garage Doors, Painting Services, Plumbing, Roofing , HVAC , Flooring, Locksmiths and more!

JBGmg offers our prospective real estate owner clients Real Estate & Property Management services including coordination of Property and Home Improvement services as part of our services .

Our property management services are only as good as our service providers in our network who we use for a variety of property management services including repair and property improvements from A-Z. We offer our customers free on site property consultations to determine our customer's needs and will coordinate getting quotes for the project and oversee the project as part of our service.

As a Real Estate owner / Investor and owner of **JBGmg** real estate property management company with over 20+ years of experience in finding and working with contractors and handyman we help property owners through our network of our trusted, reliable, experienced Licensed contractors for jobs over \$500 and for handyman for jobs under \$500. We serve all So Cal and beyond.

We look forward to hearing from you and hope we can add you to our property management network as a service provider.

Sincerely,

"JB" Griffin , Founder Owner
