

GOLF KINGS 2-MAN SCAMBLE LEAGUE RULES

- 10 Minute Warmup, prior to starting the round.
- Team will take one shot each, the team will determine best shot to play from. Please Select the best shot, select carefully as TrackMan cannot go back to selection.
- If a shot does not register, please swing again.
- Make Sure all practice swings are taken outside of the hitting area to avoid the rare event of a misread.
- **Mulligans are not allowed and can only be assessed by a Golf Kings staff member. See a staff member if a shot registers by a practice swing. All bays will be recorded for livestream and can be reviewed to determine a mulligan was used correctly. If a mulligan was used incorrectly, your team will be assessed a two stroke penalty.**
- **If a ball is hit out of bounds, please accept "Drop/Rehit". Do not select "Pickup".**
- Tees can only be used on the tee box. Do not tee up otherwise.
- You do not have to select a club prior to hitting. The software knows based on all the data parameters of your shot. The only time a club selection is needed is putting off of the green.
- Putting on the green will be set to Manual, meaning teams must putt out each hole once they reach the green. The 1-putt gimme distance is set at 8 feet.
- Weekly points are awarded to each team depending on where you finish against the rest of the league. The best/lowest score for 18 holes will be the leader in points for that week. These points accumulate each week to populate a standings sheet. Where you finish in the standings determines your bracket position in the playoffs. Standings will be posted and emailed weekly.
- Please be on time every week. **Makeups are not allowed.**
- Substitutions will be permitted for the regular season. One person can play two balls during the regular season. **Substitutions will not be permitted during the playoffs. One person plays one ball in the scenario only one teammate doesn't show up during the playoffs.**
- All teams will be allowed to **drop** their lowest score for the regular season and only calculating 7 out of their 8 weeks to their total points.
- Every team makes the bonus playoff bracket. Playoffs will be a 9-hole match play format. The playoffs will be played at the Brick Facility.
