

GOLF KINGS 2-MAN SCAMBLE LEAGUE RULES

- 10 Minute Warmup, prior to starting the round
- Team will take one shot each, the team will determine best shot to play from. Please Select the best shot, select carefully as TrackMan cannot go back to selection.
- If a shot does not register, please swing again.
- Make Sure all practice swings are taken outside of the hitting area to avoid the rare event of a misread.
- If a ball is hit out of bounds, please accept "Drop/Rehit". **Do not select "Pickup"**.
- **Mulligans are not allowed. A mulligan is only permitted in the rare event of a mistake misread and only assessed by Golf Kings staff.**
- Tees can only be used on the tee box. Do not tee up otherwise.
- You do not have to select a club prior to hitting. The software knows based on all the data parameters of your shot. The only time a club is needed to be selected is if you are putting off of the green.
- For League Play, putting on the green is disabled and gimmies are awarded. Inside of 10' is one putt, inside of 65' is two putts, and anything outside of 65' is 3 putts.
- Weekly points are awarded to each team depending on where you finish against the rest of the teams. The lowest score for 18 holes will be the leader in points for that week. These points accumulate each week to formalize a standings sheet. Where you finish in the standings determines your bracket position in the playoffs. Standings will be posted and emailed weekly.
- Please be on time every week. **Teams are allowed one makeup throughout the season.**
- Substitutions will be permitted for the regular season. **Substitutions will not be permitted during the playoffs.**

POINTS FORMAT
