

LIFE HAVEN
For Pregnant Mothers

GOOD NEWS:

Our new mother is ready for a car of her own,
to drive her baby to daycare and work without needing to take 3 to 4 buses!

GREAT NEWS:

To provide Betsy with a **well-running used car**, we have **\$1100** already donated!

BEST NEWS:

The Life Haven 50 x 50 challenge is here!

If at least **50** of our **generous friends** contribute **\$50 each** we can get a good used car from a known and trusted car dealer/mechanic.
(Bonus: He will offer us a one-year warranty on power train and transmission!)

Help us raise funds by Veteran's Day – November 11th!
