Building a world where every pregnant woman has a safe home and loving support

We are so grateful for your prayers and financial support. Last year your support allowed us to house and care for our first resident and her newborn baby. We are closer than ever to taking in more women in need of a supportive home.

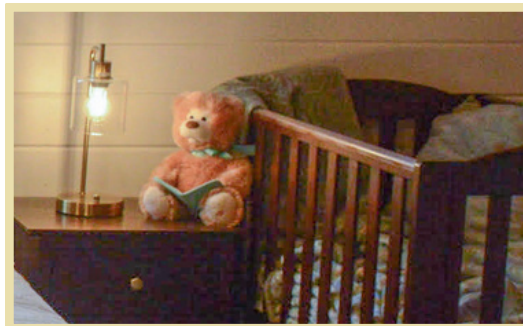

How Your Donations Help

What we provide

- Safe home
- Parenting skills
- Career advice
- Baby supplies
- Spiritual support
- Transportation
- Educational goals

When we welcome a woman into the home, we make a commitment to being her **“recurring donor.”** We walk alongside her, providing her with the stability she needs to make important life-impacting decisions for both herself and her child.

Partnering with us, you become an integral and vital part of this ministry. We are a team. As we pray and support each other, we share in the joy of making a difference and filling a great need.

*And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart.
Galatians 6:9*

Here at Life Haven, every donation is needed and sincerely appreciated, but **“Recurring Gifts” are essential** to creating a budget. When we are assured of the resources needed to continue our work, we are able to focus a majority of our energies on serving our residents rather than operating the business.

Your monthly gift, even if small, provides crucial stability for Life Haven that allows us to continue moving forward with our Mission:

“Nurturing Pregnant Mothers with Loving Acceptance in a Healing Home”
