A Home for Pregnant Mothers

*Building a world where every pregnant woman has a safe home and loving support*

June 2026

**There is a time for everything, and a season for every activity under the heavens...**

*a time to be born and a time to die, a time to plant and a time to uproot,*

*... a time to mourn and a time to dance,*

*...a time to search and a time to give up,*

*...a time to be silent and a time to speak,*

*...a time to scatter stones and a time to gather them... Ecc 3:1-8*

## Meet our new Board Secretary and Executive Director Anjel Van Winkle

Dear Friends,

This month marks two years since we welcomed our first pregnant woman into the home. What a wonderful, full, and rewarding learning experience it has been as we nurtured her and her baby and those who followed!

At this juncture, we find ourselves at a **natural transition** point. As our latest resident graduates from the program this month, and our faithful resident manager and house mother, Dana Lewis, moves on to the next chapter of her life, we have decided not to renew our lease.

Over the next several months, we will enter a strategic season of evaluating the most effective path forward to continue our mission. We will be exploring options including a host-home model and the possibility of purchasing a property for a future maternity home, perhaps in a more strategic location.

During this time, we will **broaden our horizons**, strengthen our base of support, and assess opportunities for growth—all to ensure that the next chapter of Life Haven is both sustainable and impactful in the lives of the women and children we serve.

As we enter this season of planning and discernment, our commitment to "Building a world where every pregnant woman has a safe home and loving support" remains unchanged. We will continue helping pregnant women find safe housing and needed support.

Thanks be to God for your continued prayers, encouragement, and support. We look forward to sharing monthly updates as we move forward. (Soon we will post financial information on our website for your review.)

Please share your questions and feedback with us.  
We need you now more than ever!
