THE VISION

A world where every pregnant woman has a safe home and loving support

Life Haven is a Christian non-profit in Snohomish County. We discovered that there was a noticeable lack of housing for pregnant women who want to keep their babies against all odds. Life Haven is a home that seeks to fill this void.

Our staff embraces mothers-to-be with love and understanding while our programs nurture, educate, and house women through their pregnancies and beyond. Life Haven ensures that children enter the world with love and are nurtured by women who know their worth, women who are connected with a loving, supportive community.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

Jeremiah 29:11
