## Greetings to ALL Friends of LIFE HAVEN,

**By God's Grace, Life is progressing at the home.** We are so grateful for His Providence and Presence.

**The yard** has been beautifully renovated by the loving labor and contributions of about 20 volunteers at our Garden Work Party in July. What a gift!

**Our resident is thriving** and we are all looking forward to her giving birth this fall!

Our new **House Mother, Dana Lewis**, is settling in and taking charge, sliding comfortably into her role that was seemingly made for her! **Irene Bazan, Case Manager** and Assistant Director, is showing us by her example and guidance "how it's done" based on her vast experience working in Mothers' homes.

**Both Dana and Irene have tender hearts for these women in need.** We are blessed!

If you would like to help with *finishing* the bedrooms, **please browse through our [Amazon Wishlist!](#)**

## FINISHING THE HOME

Many of you have contributed lovely items for the home. Thank you very much.

**Now with our professional team in place, we have begun to implement the most recommended principles of practice for furnishing the home,** and with our new resident actually living here, we have a better understanding of what we need for the rooms.

We hope to have Room 2 totally finished by the end of August. Please consider helping us complete this goal in the next two weeks by checking out our Amazon Wishlist!

*Thank you all for your prayers and your goodwill and donations of every kind.  
We thank God for you!*

*-Anna Hilling, Executive Director*
