## For Pregnant Mothers

## The Life Haven Family is Growing!

**We are thrilled to announce that our first mother at Life Haven just gave birth to a little baby boy on October 12<sup>th</sup>! Mother and baby are doing well.**

Thank you to everyone who has helped make this dream a reality through prayers, donations, time, and effort. **Please keep Betsy and her son in your prayers** as they recover and bond. As you may know, they will be welcome to stay here for up to a year.

**Also, we now have two more rooms prepared** to receive pregnant women in need! We are accepting new resident applications and praying for the Lord's direction as He sends His choices for the women we will be ministering to.

**Please continue to pray with us and spread the word!**

### On the Air

In September, **Daniel Wright and Irene Bazan** were invited to share our ministry on a **nationally broadcast interview by the "Orthodox Christians for Life"**

**We are privileged** to have this opportunity to share our ministry and to encourage others to be a part of it. ([tinyurl.com/9cnxdkny](https://tinyurl.com/9cnxdkny))

### Latest Project

We are still hoping for a **donation of a good used car** for our resident to be able to take her baby to daycare when she gets back to work, and to get to work without taking 3 or 4 busses! Thank you for considering this. If you can help, please reply to this email or call Anna @ 425.577.3847.

***We are looking for opportunities to speak*** about the Life Haven Ministry!

If you have any ideas or suggestions, please reply to this email or call Anna @ 425.577.3847.

Please keep us all in your prayers - all of us on the job, current and future residents, and all who support the work in every way. **May you be abundantly blessed!**
