## Great News! Our First Resident Graduates!

We are blessed to announce that Betsy, having overcome many obstacles, completed her program goals and stepped independently into her new life with her son last month. Her baby was the first to be born here at Life Haven, 14 months ago! **Congratulations Betsy**, you go with our love and continued prayers. We will miss you.

*“Thank you for allowing me to stay at your home and for welcoming my son. For us it has been a blessing to know you and for your help during all this time.” - Betsy*

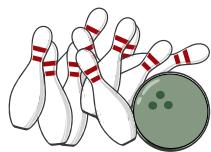

## ★ Year-End Giving ★

In just two years we've come a long way! We established a nonprofit corporation, set up a home with all the necessities, and retained staff and volunteers to care for our resident mothers.

We reached our goal for 2025 to fill the home, growing from one resident to three.
