Building a world where every pregnant woman has a safe home and loving support

New Addition to Life Haven

Our Ministry Journey

In just two years we have come a long way. From establishing a non-profit corporation to setting up a home with all the necessities including the staffing and volunteers to care for our resident mothers. We are grateful to be housing **three lovely women and two babies now!**

It is only by your prayers, encouragement and financial support that our *vision* is becoming reality. **Thank You!**

As we move into a new season, **our financial needs are increasing.** So far, all administrative positions are still filled by unpaid staff.

Our immediate need is to hire a **professional Operations Manager** to oversee the home and communicate with the Board of Directors. Hiring professionals will require a **30% increase in revenues.**

All donations are gratefully appreciated. **Monthly gifts are crucial to our stability,** enabling us to plan ahead with confidence. Even small monthly gifts make a big difference.

Please consider partnering with us in this mission with monthly donations.

“Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.” Matthew 25:40

A New Baby in the Home!

We are pleased to announce the arrival of our newest resident, “Anna,” a mother with her 2 day old baby girl.

“Thank you so much for a safe home and all that my baby needs. I am thankful to God for hearing my prayers”

Glory to God!

“Giving Tuesday” is Coming

Giving Tuesday is a global movement to share generously with the non-profits you support. It comes on the Tuesday after Thanksgiving.

Thank you for all your love, prayers, and support
