About the Event!

If you'd like to find a creative way to support Life Haven and share the ministry with your friends and family, look no further! Hosting a dinner party in your home will provide a fun and intimate platform for sharing this ministry. You are the host, so you're in control of how your party goes, how the opportunity is shared, and how to invite your guests.

How it Works

Invite Friends ◀

Create a list of friends or family who might be interested in learning more about Life Haven.

You'll receive custom invitations and you choose to either invite them personally, or have Life Haven send invitations.

Host Dinner ◀

Partner with Life Haven by providing a warm and inviting atmosphere in your home. Serve up a delicious dinner for your guests.

Enjoy the Presentation ◀

A representative of Life Haven will share a short presentation and answer questions from guests.

Share Options for Support ◀

Life Haven will provide printed materials to share with guests and present opportunities for spiritual, financial, and volunteer support. You choose whether you would like a soft or strong appeal from Life Haven.
