

Point MacKenzie Community Council  
Point MacKenzie Road Safety Improvement Suggestions

At the December 12, 2024 PM Community Council Meeting the community discussed Point Mackenzie road safety concerns with Sarah Angol, the Superintendent of the Goose Creek Correctional Facility, and Harry Moore, the Superintendent of the Point MacKenzie Correctional Farm. Several possibilities were suggested to increase road safety:

- Increase Alaska State Trooper enforcement
- Create rumble strips along the centerline and edges of roadway
- Install radar speed monitoring at several locations along the roadway
- Make Point MacKenzie Rd. a safety corridor which will double fines for speeding and other driving infractions.
- Install Report Every Dangerous Driver Immediately (REDDI) signs
- Install reflectors along the entire length of the road to delineate the edges of the roadway
- Create several pull-out locations when reconstructing Point MacKenzie Road such that vehicles can pull over to let vehicles pass
