**Project: Launde Primary School, Oadby**

**Client: Eddison's Architects**

**Duration: 24 weeks**

# THE PROJECT...

MJE Contracts, completed two classroom teaching block and toilet facilities at Launde Primary School as part of a wider educational construction case study. This project showcases our expertise in delivering high-quality, functional learning environments from design to completion.

The project at  
Launde Primary  
School took 24  
weeks to complete.

# WE PROVIDED

The construction of the classrooms, along with the installation of the stairs, presented challenges along the way, but these were successfully overcome thanks to MJE Contracts' trained and skillful staff, ensuring a high-quality result.

# CLASS ROOM 1

From start to finish, MJE Contracts and the school staff maintained close communication, making adjustments to ensure mutual satisfaction with the final outcome.

The classrooms were designed with ample lighting and space, creating a comfortable, welcoming environment that promotes focused and engaging learning.

## The classroom 2

Carefully designed to maximise natural light and space, providing a bright and inviting atmosphere that supports a positive and productive learning experience for the children.

MJE Contracts approaches every project with the utmost care, ensuring that each detail is carefully considered to deliver the best possible results, tailored to the unique needs of every client.

MJE Contracts installed cubicles in the toilet rooms, ensuring ample space and sufficient lighting for pupils to enjoy a comfortable and functional environment.

## Final Thoughts

d

MJE Contracts is proud to have worked in collaboration with Eddison's at Launde Primary School to deliver a successful project, including the construction of modern classroom block and new toilet facilities.

The seamless collaboration and attention to detail ensured the final result met the school's needs, providing functional and welcoming spaces that foster a positive learning environment. For all present and future pupils
