CONTRACTS^{Ltd}

KIBWORTH COMMUNITY HUB

INTRO TO THE PROJECT

mje

CONTRACTS^{Ltd}

Quality Workmanship & First Class Customer Care.

Client: Benchmark Property Limited

Site: Kibworth Community Hub

Duration: 26 weeks

The MJE team prepared careful planning and coordination with our client before construction commenced ensuring all details were in place, setting the standards for a smooth and efficient building programme.

We understand when updating or expanding existing infrastructures, it's essential to balance efficiency with respect for original building structures and local communities.

Expert
Handling

Benchmark Property Limited trusted the expertise of MJE Contracts to construct and bring their vision to life, confident in the team's skill set, constant hard work and commitment to first-class customer care throughout the project.

The new community hub extension will enhance social interactions and accessibility for all residents. It's design for inclusivity, featuring wheelchair access for easy navigation and modern facilities for visitor comfort.

This project reflects a commitment to universal accessibility, making it a vibrant focal point for local residents to connect and thrive.

The space looks fresh, spacious, and excellently constructed by the MJE team, with every detail carefully considered. Once completed, it was greatly appreciated for its functionality, design, and the high standard of craftsmanship.

Final Thoughts

It was a pleasure to work alongside our client and the Kibworth Community Hub site team to deliver this project. I hope that being part of this programme will continue to thrive the local community for many years to come.

Peter Goosey: MJE Site Manager.
