Tuition is listed on a sliding scale basis. Families may choose to pay an amount within this window. Any amount over the base amount listed will be used to offer scholarships and support to enrolled families facing financial hardship.

A detailed payment policy is included in the enrollment and contract package and is available upon request. Payments may be made weekly, bi-weekly or monthly. Payments are due by 5pm on the Thursday of the week prior to care being provided. Payment is due for the time your child is registered for, regardless of the child's attendance (ie sick days, holidays, vacation days, snow days, etc.) Payments received after 5pm on the Thursday prior to care being provided, will be charged a \$40 late fee. If payments are late three or more times your child's enrollment may be terminated. Care will not be provided if payment has not been received.

An annual registration/supply fee of \$50 will be due January 15th each year.

There will be a charge of \$25 per 15 minutes late for parents who pick up their child after Little Farm School, LLC closing time. The fee will be charged on the next week's invoice. Please do not pay the Little Farm School, LLC caregiver directly. An excess of three late pickups may result in termination.

Parents may terminate enrollment as needed, but they are required to give the center three weeks written notice prior to termination. Failure to do so will result in the one-week deposit not being applied to the final week of childcare. In the unlikely event that Little Farm School, LLC terminates your child's enrollment, as much notice as possible will be given and your deposit returned, unless termination is due to failure to pay. In this case, the deposit will be retained by Little Farm School, LLC.
