

# CPR TRAINING

Get trained. Save a life. You'll be glad you did.

Where the art of medicine  
is loved, there is also love  
for humanity

## **CPR Training Initiative for Autorickshaw Drivers**

A life-saving initiative sponsored by Rotary Club and Omega Hospital - Mangalore at Roshni Nilaya, Mangalore. On May 1, 2024, in celebration of Labor Day, we conducted a comprehensive CPR training program specifically tailored for autorickshaw drivers.

**Chief Guest: Dr. A G Jayakrishnan, Chief Cardiothoracic Surgeon**

**Training Instructor: Dr J N Bhat - Indian Red cross Society**

**Event Details: Date: May 1, 2024**

**Venue: Roshni Nilaya, Mangalore**

## About the Program:

Cardiopulmonary Resuscitation (CPR) is a vital skill that can save lives in emergencies such as cardiac arrest or drowning. This training program is designed to equip autorickshaw drivers with the knowledge and skills necessary to respond effectively in critical situations.

## During the session, participants learned about:

- Recognizing cardiac arrest and other medical emergencies
- Performing CPR on adults, children, and infants
- Utilizing automated external defibrillators (AEDs)
- Providing basic first aid until medical help arrives

## Benefits of CPR Training for Autorickshaw Drivers:

1. Empowerment: Gain confidence in handling medical emergencies on the road.
2. Preparedness: Be ready to act swiftly and effectively in crisis situations.
3. Community Safety: Contribute to a safer environment by being a first responder.

**This CPR training program made a difference by ensuring autorickshaw drivers are equipped with life-saving skills.**

**Together, we can create a safer and healthier community.**
