4th CCrISP course conducted at KSHEMA

The 4th CCrISP (Comprehensive Critical Review and Instruction for Surgical Practice) course was successfully held by Nitte University in collaboration with the Royal College of Surgeons of England on August 29-30, 2024. Esteemed faculty from the Royal College of Surgeons and KSHEMA contributed their expertise, delivering an in-depth training program aimed at equipping young surgeons with systematic patient assessment skills to preemptively address and mitigate potential complications. Dr. A.G. Jayakrishnan served as both Co-Director and Coordinator for the course, playing a pivotal role in its seamless execution and impact.
