- **Must be able to demonstrate experience and high level of creativity in your area of artistry, that is a match/fit with the staff's vision and GD's unique style**
- Able to commit to this position for a year

Critical Skills

Creativity & Innovative | Positive Attitude | Excellent Communicator | Dedicated & Reliable

Time Commitment

Band rehearsal is 4-8:00 pm daily. The creative team is not required to attend rehearsals every day, but should expect to work with our team during those hours. On certain occasions when preparing for major events, we may have rehearsals during the day on the weekend. The time commitment will include preparation time and instruction time as well as meetings with the staff and the creative team. Students should make sure they do not have evening classes. The exact schedule is set once selected.

Compensation

The internship is **unpaid**. However, students working with the band program are typically provided a book allowance that is added to your bill. Travel is not required for the creative team. If you do, all travel related expenses are paid for by the Department of Bands. Students are required to sign up for MUSI 300 and will receive academic credits/grade for participation.
