

DR. PAM DENTON PRESENTS

RISE TO THE TOP

*Training women to make advancements
in HER career with confidence,
focus and power.*

Female Form of Leadership

Rise to the Top is designed to guide and train more women to embrace HER power to rise to the top in business, career and life.

Each and every woman has a leader inside just waiting to emerge. And in order for the world to evolve and become a better place she must find within herself the passion it takes to open up her feminine leadership power.

It is my soul purpose to help women unlock the amazing gifts of authentic leadership and express fully the innate feminine intelligence that is your birthright. I want women to move

beyond the stuck, stagnant and small self into the alive, expressive and vital power. I want YOU to take up space and show your truth by sharing your voice.

Together we will reclaim our power in the form of female leadership and stand in collaboration supporting each other with valiant courage to change, grow and LEAD. Lead a life filled with purpose, passion and power.

Where are Women Today?

The Painful Facts

01

Women are quiet because when they speak they are judged as aggressive or bitches.

02

Women are paid way less than men and pay decreases with race.

03

Women are afraid to stand out.

04

1 in 4 women have suffered depression.

05

Women struggle with health and life work balance.

06

Women struggle financially and do not have the tools for negotiating pay raises.

07

Women lack the confidence to ask for advancements in business and jobs.

08

Women feel undervalued and underpaid.

09

There is no honored or respected model for female power and leadership.

Women Share

THEY ARE...

Feeling stuck

Hating and criticizing more than accepting

Alone and Isolated

Burned out, fatigued, & lacking resources

Yearning for more

Lacking self worth

Working harder with no reward

Feeling fearful

Marginalized

Wanting more but unsure how to communicate value and self worth

You are the answer and can provide positive support.

Women deserve more!

What is the Solution?

Women are now leading the way and asking for change. In the workplace women need advocates for the changes they seek. They want the confidence to stand out, be heard and ask for what they want. They also need negotiating power and the tools to ask for their value. The advancement tools you can provide them through training and education. Positively reinforcing your position on valuing women leading with men. Allowing women the space to feel powerful.

By training women to become competent leaders and honoring the female form of leadership, more women can become decision makers and influencers.
