Jeneice Miller, APRN-CNP, AGN-BC, is a certified nurse practitioner at The Oklahoma Breast Center. Jeneice earned her bachelor's degree in nursing from East Central University, her master's from the University of Phoenix, and her family nurse practitioner certification from Graceland University. She is board-certified as a Family Nurse Practitioner and an Advanced Genetics Nurse.

Jeneice chose to specialize in this field because it gives her an opportunity teach disease processes and interventions, something she is passionate about. She place an emphasis on prevention strategies and lifestyle changes to address health issues and optimize outcomes for her patients.

Patients can expect a compassionate provider in Jeneice, who addresses the holistic needs of the individual with a personalized care plan.

In her spare time, Jeneice enjoys farming and spending time with her family.
